Welcome

Rtn Dr Juliet Kyayesimira, Chief Editor

Dear Reader,

As holidays come closer and the end of year comes to the corner, I wish to thank you our dear readers for your interest in this magazine.

It is a pleasure to welcome you to this month's publication of our e-magazine "Nalumunye Trumpet".

The November issue of RC-Nalumunye is based on the theme 'The Rotary Foundation'. The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

On behalf of the editorial team, I would like to thank those who have contributed to this magazine and more so those who have come in to advertise with us. We pledge to continue bringing to monthly issues of this e-magazine. Your contributions in the form of articles, personal testimonies and stories, advice or any other form of contribution will facilitate the timely production of this e-magazine.

"Nalumunye Trumpet" continues to provide information about what is happening in the club, district, and important news and updates from RI headquarters.

As I conclude, I would like to thank the editorial team for their valuable support in the production of the November issue.

Christmas holidays are here, I wish you all a time of ease and God's love and an appreciation for the good work in your lives all through year 2023. Thank you all for your great support and thanks for reading.

RI President's Message

R. Gordon R. McInally- President, Rotary International

“A disaster is the result of systemic inequalities in access to resources and power”

Unnatural Disasters

This month, Rotary takes In December, I will attend the United Nations COP28 climate change summit in Dubai, United Arab Emirates. There, I will speak about the convergence of two global crises: climate and mental health. As the World Health Organization has noted, climate change worsens risk factors — such as disruptions to homes and livelihoods — for mental health problems. The emotional distress of a disaster also makes it difficult for people to recover and rebuild. Rotary partner ShelterBox is an international disaster relief charity that has helped more than 2.5 million displaced people in approximately 100 countries with emergency shelter, essential household items, and technical support. I wish to share this month's column with their CEO, Sanj Srikanthan, who explains that the words we choose to describe disasters matter. — **Gordon McInally**

The term “natural” disaster has long been used to describe tropical storms, floods,

earthquakes, and volcanic eruptions, but there needs to be an urgent shift in the language we use. While the term may seem harmless, and we've not always gotten it right, we've learned through our work with disaster-affected communities how it perpetuates a dangerous myth that nothing could have been done to prevent people being so badly affected. This misleading and harmful narrative can lead to a lack of action to help people who need it. The language we use matters. When we frame disasters as natural, we fail to acknowledge the complex interplay between nature and the role of human actions and how they impact communities around the world.

Earthquakes, tsunamis, volcanic eruptions, and extreme storms, drought, and flooding occur because of natural processes on Earth. But it is how these events affect people or the environment that has the potential to make them a disaster — outcomes influenced by human factors like where people live, what types of homes they have, political instability, and the lack of proactive measures to protect

vulnerable communities. A disaster is the result of systemic inequalities in access to resources and power. Where we live and how much money we have often determines our ability to recover. The people worst affected are those living in poverty, with the least means to protect themselves and few resources to withstand the next event. By framing these events as natural, we undermine the need for proactive measures to protect vulnerable communities, masking the underlying social, economic, and political instability that makes marginalized and disadvantaged communities disproportionately affected. Our teams see firsthand how issues like inequality, poverty, urbanization, deforestation, and the climate crisis can make communities more vulnerable.

At ShelterBox, we simply say “disaster” or are more specific, describing the extreme weather, earthquake, tsunami, or volcanic eruption. I urge everyone to help us in breaking this cycle by committing to language that accurately reflects why people are affected so badly.

Only then does it pave the way to address the underlying causes of vulnerability and work toward a more just and equitable future for all, with the necessary investment, resources, and proactive measures to help protect affected communities. Disasters are not natural. Let's stop saying they are.

Sanj Srikanthan CEO, ShelterBox

District Governor's Message

Francisco Ssemwanga, District Governor 9214 (Uganda & Tanzania) 2023/24

Fellow Rotarians, Rotaractors and friends of Rotary, I bring you salutations from District 9214 and thank you for whatever you are doing in an effort to Create Hope in Our Communities in particular and the World in general.

I have so far visited 75% of Clubs in Our District and I am happy to report that I am impressed by the great work Rotarians are doing, thank you friends for your selflessness. I am so Impressed by your commitment to Our District Signature Project of Promoting Basic Education and Literacy, the Membership efforts, the support to the Rotary Foundation among others.

As we enter this month of December and also come to the end of the Calendar year and the first half of Our Rotary Year, I request that we focus on two main issues in this month, that is payment of our Rotary International Dues and the completion of Registration for the 99th District Conference and Assembly.

With regard to Dues payment, I call upon all of us to pay our second Semi-Annual dues this month such that we do not lose membership. Our District performed so well with regard to membership growth since the year started and its my prayer that we consolidate these achievements by avoiding losing members as we cross in the second half of the Rotary Year.

About the District Conference and Assembly, the early bird window is closing on 31st December 2023 and registration is at USD 200 and USD 120 for the Rotarians and Rotaractors respectively. I want to encourage all of us to register before the end of December to allow the District Conference and Assembly Committee prepare well for the Event and

work on the necessary logistics in time.

Once again, I sincerely thank each and everyone of you fellow Rotarians and Rotaractors for doing good in the world. As your team leader, I continue to get energized by your dedication to service. I am so proud of you and I am sure we shall finish Our Rotary Year strong, thank you for Creating Hope. Merry Christmas and a Prosperous New Year 2024.

With regard to Dues payment, I call upon all of us to pay our second Semi-Annual dues this month such that we do not lose membership

An Incredible Journey- President's Message

HCP Paddy Lukwago (PHF+1), Hope Creator President , Rotary Club of Nalumunye

Fellow Rotarians, Rotaractors and friends, I bring you warm greetings from the Rotary Club of Nalumunye.

It has been five months of learning, unlearning, and relearning. It has been an incredible journey at the Rotary Club of Nalumunye. Through the five months of service, we have encountered so much as a club and scored quite highly on our set goals.

The highlight of the month was the club retreat that took place on 18th November 2023. The main purpose of the retreat was for the leadership of the club to provide accountability, and for the club members to rejuvenate and re-energise for the coming months of work. It was clear that the club performance at the time of the retreat was at

75% goal achievement. This, therefore, sets a good pace for the coming months in which the 25% can easily be achieved.

I am happy to report that during the just concluded month, two club members attained the honor of PHF, after each donating at least 1000 USD. I thank Rtn Barbara Kimaite Matovu and Rtn Frank Rutebarika for heeding to the

call and ensuring that they support the Rotary Foundation.

The downside for the past month was the death of a dedicated club member, the late Rtn John Chris Bakiza. He was a charter member and had served on all boards of the club since its inception. At the time of his death, he was a member in good standing and a PHF. May his soul rest in eternal peace.

December is a month of sharing and giving. I, therefore, call upon all Rotarians to deliberately do something to bring a smile to a neighbor in need. That way, we shall create a better world for each one of us, and we would have shown the true meaning of Christmas.

“It has been five months of learning, unlearning, and relearning. It has been an incredible journey at the Rotary Club of Nalumunye”

Yours in Rotary Service,

Why Service Above Self

By Rtn Sheri Namatovu, RC-Nalumunye

The Rotary Foundation is a non-profit corporation that supports the effort of Rotary International to achieve world understanding and peace through international humanitarian, educational and cultural exchange programs. Voluntary contributions for members of rotary international solely support the foundation. Rotary foundation was founded in 1917 in the USA. The motto of the foundation is SERVICE ABOVE SELF which simply encourages members to bear in mind the needs of others especially those that are less privileged. In rotary we are always encouraged to do charity and to give. The will and act of good charity is one which is fulfilled quickly”, for every one willing to give should always do it as

soon as possible and not wait to give when he/she feels it’s the most convenient time for them to give. If every Rotarian worldwide gave at least \$10 every year then rotary would go miles in helping solve some of the world’s problems and this would sound the motto service above self so loud out there and encourage more people to join in the drive to give as well as join the rotary family

The funds are used by the rotary foundation to support variety of projects such as fighting disease for example the eradication of polio which was established by Rotary International since 1987 to date has been on since and many children and

adults have benefited hence the decreased and almost few cases of polio seen today worldwide, malaria eradication which is also another project that will help save many mothers and children. The foundation also helps provide scholarships that support both members of rotary and non-members that helps better their lives and families. The foundation also supports projects that provide clean water, sanitation and hygiene, grows local economies and also protects the environment.

Giving to the rotary foundations is one of the most fulfilling part of being Rotarian since there are so many people who are less privileged and you get to support people you will never be able to meet but the thought that you put a smile on someone’s face should be the goal of every member of Rotary International. With the devotion to giving we fly the flag **service above self** so high up.

The funds are used by the rotary foundation to support variety of projects such as fighting disease for example the eradication of polio...

The Buffaloes Buddy Group

By Rtn. Josephine Jean Anying- Buffalo Buddy group chair

“The buffaloes buddy group is one of the 4 buddy groups in RC Nalumunye. It is a group of peaceful and graceful rotarians”

The buffaloes buddy group is one of the 4 buddy groups in RC Nalumunye. It is a group of peaceful and graceful rotarians. Just like the Buffalo itself, members of this buddy group are quiet and passive Rotarians who love teamwork and can easily accomplish a task because of their nature.

In the month of November 2023, the Buffaloes buddy group was in charge of organizing the club fellowships and activities. There were some achievements registered and also a few challenges registered.

Accomplishments

Among the activities accomplished during the month include;

- ▶ Successful Wednesday fellowships with exciting topics like unveiling The Rotary Family Carnival, The TRF Analysis, unpacking the DCA 2023, and Zumba dance fellowships among others.
- ▶ The club held a very successful Camping Retreat that was held on the 18th and 19th November, 2023.
- ▶ We had members from the club participating in many Rotary Activities outside the club e.g the Meat Carnival Fundraiser organised by the Rotary Club of Kyengera, the Africa Peace Concert in Munyonyo, visiting other clubs and many other activities.

Challenges

- ▶ We lost a member of the Buffaloes buddy group, Rtn John Chris Bakiza on 4th November, 2023. May his soul continue to rest in peace.
- ▶ The Home Hospitality event was re-scheduled to a later date because members had travelled for the burial of Late Bakiza.
- ▶ Physical Attendance of the buddy group members was very low

The infographic features a central circle with the text "NOVEMBER ACTIVITIES PLANNER". Surrounding this circle is a circular path with 10 points, each representing a date and an activity. The activities are: NOV 01: Unveiling The Rotary Family Carnival (fellowship); NOV 03: Members Bonding; Home Hospitality; NOV 04: Home Hospitality; NOV 08: Sizzling Relationships (fellowship); NOV 15: Unpacking DCA 2023 (fellowship); NOV 18-19: Club Camping Retreat; NOV 22: TRF indepth (fellowship); NOV 29: Sweat it out Cheza Fun Fellowship. At the top of the infographic are the logos for Rotary Club of Nalumunye and CREATE HOPE in the WORLD. At the bottom left is the logo for P&L DataMatrix Ltd.

I am Married but separated with 3 lovely children. 1 girl and 2 boys.

Tell us about your Rotary Life.

- ▶ 2020 – Volunteer to Rc Nalumunye (Basically preparing myself)
- ▶ Nov 2021- inducted a member of Rc Nalumunye during the presidency of PP Levy. (Dg Mike Sebalu and the then Ag George Bush Ochieng made offers to refund my dues if I did not enjoy Rotary in my 1st year)
- ▶ Classification – Sales and Marketing Services.
- ▶ Chair of Big Boys Eagles Buddy group.
- ▶ Club Admin Chair 2022.
- ▶ P.E and Vice H C President 2023
- ▶ Member of various committees; Projects, Strategy, Retreats etc
- ▶ I have sponsored more than 7 Rotarians to Join Rc Nalumunye.

Why did I Join Rotary?

After reading and understanding the Rotary Rituals (The Grace, The Loyal Toast, The 4-Way Test, The Object of Rotary and Final Toast) I decided to join Rotary for

- ▶ Friendships
- ▶ Business Development
- ▶ Personal growth and Development
- ▶ Leadership Development.
- ▶ Citizenship in the Community
- ▶ Continuing Education.
- ▶ Fun.
- ▶ Public Speaking skills
- ▶ Citizenship of the World.
- ▶ Development of Social skills
- ▶ Development of Ethics
- ▶ Prestige
- ▶ Nice people
- ▶ The opportunity to serve

And yes all these I found in my club, thanks to the men and women who became charter members and wonderful leadership thus far. I am inspired to pick up the mantle to serve.

What should we expect from your Leadership as President-elect?

Focus Areas as I take on Leadership will include;

1. To define the goals clearly.
2. Build Trust.
3. Allocate clear roles and responsibilities.
4. Understand avenues of services.
5. Focus on everyone in the club being engaged.
6. Manage Conflict.
7. Club building Activities.
8. Promote inclusivity and Value each other.
9. Adaptability.
10. Quality membership recruitment.
11. Donating to the Foundation.

These and more will deliver Rc Nalumunye to better scores in the year 2024- 2025 and Rotary The World Over.

Thank you PE and we look forward to your great leadership come 2024-2025.

Rtn Chris Joh Bakiza rested on 4th November 2023. You will always be missed by RC-Nalumunye

GOODBYE CHRIS JOHN BAKIZA

A Tribute To The Late Senior Counsel And Rtn John Chris Bakiza

By Rtn Moses Ronald Oteng, Strategy Chair RC Nalumunye

“He mentored many people during his lifetime not only in the places where he worked but also in the communities where he served as a leader”

I would like to take a moment to remember the Late John Chris Bakiza who passed away on the morning of 4th November 2023 and was laid to rest at his ancestral home in Mushenyi B, Biggaga in Kabale District on 8th November 2023.

The Late John Chris Bakiza was a mentor and a peacemaker and this was evident in the way

he always preferred to settle disagreements in an amicable way in order to keep peace. He mentored many people during his lifetime not only in the places where he worked but also in the communities where he served as a leader.

He had an insatiable appetite for knowledge. Many of you will recall that at one of our fellowships, he wanted to deliver a

talk on crime as this was his passion having worked in the Directorate of Criminal Investigations of the Uganda Police Force many years before. We connected at a personal level whenever there was any discussion on Oil and Gas and its related impacts on the Environment and Society. The late John Chris had in fact, true to his determination, pursued a degree in Oil and Gas and was very passionate about the Uganda's nascent sector. Perhaps, it was his dream to make a difference in whatever possible way that he could.

He loved people, especially children. I fondly recall the End of Year gatherings that the late John Chris and his family hosted at their residence in Mutundwe. He always ensured that his guests were comfortable and spared no effort to see to it that everyone was well taken care of. To say that he gladly offered to host the Nalumunye Kwagalana Association families in 2021 and 2022 is no mean achievement. It is a demonstration of the big heart that this special person had for humanity.

I cannot forget to talk about his professionalism. The late John Chris was an impeccable time keeper; he valued his time and

that of others. In fact, if you had an appointment for any activity you would be sure to see the late John Chris arriving either half an hour earlier just so that he was able to settle in and be comfortable. That was the routine he had adopted for his professional life and it was evident if only one took time to notice.

Service to humanity. He served his motherland, Uganda at the very highest level in the Uganda Police Force before retirement. He diligently served the Rotary Club of Nalumunye not only as a Charter member but he continued to provide free legal services owing to his vocation in the legal profession. The good works of the late John Chris were re-echoed by the numerous speakers who attended his burial at Biggaga. He left a mark of great service not only in Kampala but also in Kabale, his ancestral home.

He was one of the smartest men I have ever known; his clothes were always neatly pressed and his shoes had a distinct shine. He was very neat and organized. In fact, Rotarian Deborah Kakande, while giving a eulogy on behalf of RC Nalumunye, noted that the late John Chris was organized

even in his dancing during social hour popularly known as Kimeeza. On this note, I would like to thank his widow Madam Robinah Mbabazi Bakiza for making Counsel shine.

I would like to take this opportunity to thank Mrs. Bakiza Robinah Mbabazi for standing by and with her husband up to his final moment. Indeed, you have exemplified the solemn vows that both of you took during your holy matrimony and this is a great lesson for many couples out here. I pray that the Lord may bless you and the family as you continue with life's journey here on earth.

Finally, I thank all the Rotarians, Rotaractors and well-wishers for the great solidarity that you accorded to the family of the late John Chris Bakiza; the contributions made both in-kind, spiritual, financial and otherwise, those who braved the more than fourteen (14) hours' journey to and from Biggaga. Thank you very much for honoring our comrade and fellow Rotarian. May the soul of the Late John Chris Bakiza Rest In Eternal Peace!

“He loved people, especially children. I fondly recall the End of Year gatherings that the late John Chris and his family hosted at their residence in Mutundwe”

A Short But Impactful Interaction: Tribute to Rtn John Chris Bakiza

By HCP Paddy Lukwago

The first time I met Rtn John Chris Bakiza was in 2017 during a meeting of the residents of Nalumunye Estate, at Lebron Supermarket. I had just settled in the estate. He commanded respect, from the way he neatly tucked in his spotless white and pink shirts that he always wore. He was so welcoming, very enthusiastic, and quite knowledgeable on a lot of issues. Rtn. Chris was open-minded, and he was always eager to know a little more about someone.

I then met him again when we joined the Kwagalana Family Group. Chris was a family man; it was evident that he loved and treasured family. He always moved with his wife, Robina, and their younger son and daughter. He spoke highly of his wife, and he was always

“He pushed this idea through the board and as I write this, the shed is up in memory of Rtn Yahaya Kamya”

quick to introduce Robina and the family to everyone.

His Rotary life

Most of my interactions with Rtn Chris were in Rotary. He participated in the formation of the Articles of Association and the club constitution of RC Nalumunye, and at the time of his death, he was the Chair of the Club's Legal Committee. Chris was never a back bencher; he always sat on the front row during fellowships, and listened and took notes from the guest speakers of the day. It was always hard to miss Chris during fellowships because of his smartness and his calm demeanor.

When I appointed Chris as the Legal Adviser to the club for the Rotary Year 2023-24, he accepted the role in writing. He did not stop at that; he then requested for a meeting with me to understand what I envisioned the legal committee would be expected to do. Unfortunately, since we plan and God executes, little did we know that he would not get the chance to complete the Hope Creator Year with us.

Despite his deteriorating health, Chris still met his obligations by paying all his

club dues and registering for the DCA and the RI conventions. His commitment to Rotary was enviable. As his health further degenerated, he texted me to let me know that he was unable to continue executing his assigned duties. This gesture showed his commitment to his assigned tasks and to the club.

I visited Chris at his home during his last days on earth and although he looked frail, he had the courage to say to me that he hoped to get better soon and get back to full club participation. He was an inspiration to many.

The most significant contribution he made was when he was Chair of the Kingfisher Buddy Group. During his tenure, the club lost yet another vibrant member, PE Yahaya Kamya (RIP). As we deliberated on what we could do to keep the Yahaya name alive, Rtn Chris fronted the idea of building a waiting shed at the entrance of the estate. He pushed this idea through the board and as I write this, the shed is up in memory of Rtn Yahaya Kamya.

May the soul of Rtn Chris Bakiiza Rest in Eternal Peace.

Re-Nalumunye Paul Harris Fellows

By Rtn. Josephine Jean Anying

About PHF

PHF stands for Paul Harris Fellow. It acknowledges individuals who contribute, or who have contributions made in their name, of \$1,000 to The Rotary Foundation.

The Beginning

Paul Haris is also known as Paul Percy Haris. He was born on 19th April, 1868. He was American, and a lawyer by profession. In 1905, Harris organized the first Rotary Club “in fellowship and friendship” with three clients and local businessmen, Silvester Schele, Gustavus Loehr, and Hiram Shorey. His initial goal was solely to create a club of professional and business men for friendship and fellowship.

By the time of Harris’s death in 1947, Rotary International had grown to more than 200,000 members in 75 countries.

“In 1957, Rotary International established a specialized recognition towards Paul Hari called the Paul Haris Fellow, popularly known as PHF”

Our Newest PHF Rtn Frank Rutebalika

Founding the PHF

In 1957, Rotary International established a specialized recognition towards Paul Hari called the Paul Haris Fellow, popularly known as PHF. This recognition aims at encouraging and showing for the substantial contributions of Paul Haris to Rotary International.

The first Paul Harris Fellows included past RI Director Allison G. Brush, who served

during the 1937-38 Rotary year, and longtime RI Treasurer Rufus F. Chapin, both for donations made in 1946. Mrs. Adan Vargas was the first woman to receive the recognition, for a gift made in 1953. Mrs. Harry L. Jones was the second, and one of only five people recognized for contributions actually made in that inaugural year.

Today, the number of PHFs have reached

Importance of being a PHF

In a recent article, journalist Arnold Grahl listed several great reasons to give to Rotary.

- ▶ **Accountability and transparency;** these have earned Rotary 11 straight years of 4-star rating as a highly accountable and transparent organization. Therefore, when you contribute to Rotary, the funds are used to accomplish projects in an efficient and effective manner, hence changing lives in society.
- ▶ **Impact:** Rotary partners with other organisations to increase impact and make

people's donations work better. For example, when you contribute to the Cancer Run, the polioplus and many other causes.

- ▶ **A record of success:** With your contributions to PHF, Rotary is able to unite world leaders who have the skills and resources to respond to some of the most difficult problems in society, in order to deliver sustainable and long-lasting results.

PHFs in The Rotary Club of Nalumunye

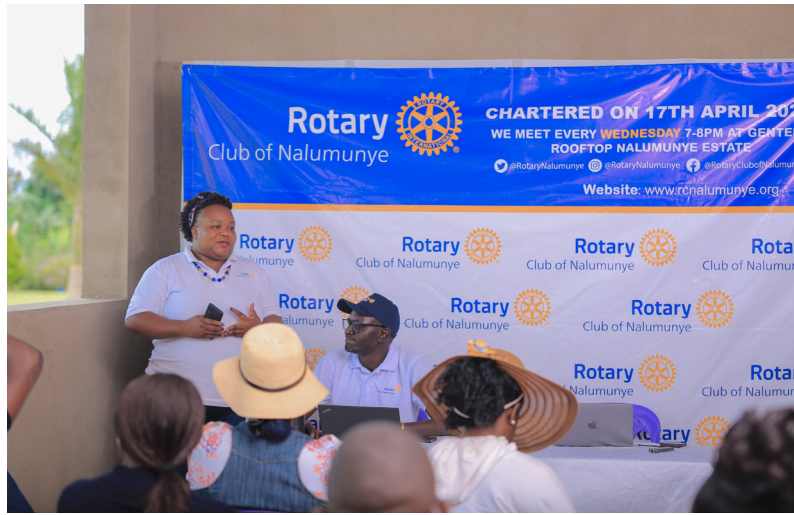

RC Nalumunye is a vibrant and steadily growing club. As of November 2023, the Club had a total number of 12 PHFs as listed below;
