# Action onto Action

**Rtn Philemon Kirunda Mukisa, Chief Editor**

Our esteemed readers, Rotarians, Rotaractors and good friends of Rotary, we thank God for life and health thus far. Thank you for continuing to follow and read this publication. From this end, there is immense motivation to bring to you an interesting package that you can relate with. This August issue is yet another exciting package for you.

This month of August will give us the first half of the important first 100 days of the Rotary Year. A lot of energy has already been expended on taking off the Action 'plane'. Efforts are already up and activities are in full high gear; lasting impact will be made from the action, and we shall report on it.

In this issue, we introduce an interestingly different mix of

sections and pieces that we hope will keep you loving to read on and on- something that we yearn for. We are happy when you enjoy to read what we write. We value you and, that way, we intend to have a section for letters and notes to the editor. With that section, you can give us feedback on what we publish so that we can serve you better.

I applaud the editorial team for the efforts to put this publication together. I know that their motivation to bring to you a spiced plate of information on the Rotary fraternity is just but growing. We encourage you to contribute articles and also to advertise your businesses in this prolific publication.

Enjoy reading this issue as we gain momentum for action, Together One Act at a Time.

# Francesco Arezzo, Rotary International President 2025/26

**A**ugust is Membership Month, but our commitment to growth and connection is year-round. When we focus on growing Rotary, we grow our ability to serve, to lead, and to bring lasting change.

Membership growth isn't just about numbers. It's about opening doors. It's about inviting more people who are ready to give their time, talents, and hearts to a cause greater than themselves. When we welcome new members, we bring in fresh ideas and new energy. We expand our impact, strengthen our clubs, and ensure that Rotary continues to evolve with the world around us.

Remember, there is now great flexibility in fashioning nontraditional club models. I'm inspired when I see these innovative clubs thrive by offering new and prospective members more ways to connect and serve.

In Korea, the growth of satellite clubs has created opportunities for nearly 1,000 new members to find their place in Rotary. In Romania, the close collaboration between Rotarians, Rotaractors, and Interactors has built a pipeline of future leaders. In India, some Rotarians gather around a shared interest - whether it's professional development or a passion for service - and those connections deepen their commitment and their joy in being part of Rotary. And we've seen cause-based clubs thrive in regions as diverse

as Southeast Asia, Africa, and Europe.

There's a common thread: Where clubs are growing, membership is a priority and there is a willingness to try something new. Rotary is not limited to one structure or tradition. We are a global network of people of action, and that means there is room for many kinds of clubs, many ways to serve, and many paths into our organization.

This spirit of innovation is also guiding our efforts to reach new communities. In places where there has never been a Rotary club - or where a club once existed and faded - Rotarians are finding ways to grow Rotary.

They are identifying areas of potential and building clubs that reflect the character and needs of their communities.

Every member plays a part in this journey. Whether you introduce a friend to your club, support a new meeting format, reconnect with program alumni, or simply share your Rotary story, you are helping our organization grow stronger and more vibrant.

No one owns a Rotary club. It is a gift we pass on to the next generation. When we nurture that gift, when we invite others to share in it, we ensure that Rotary continues to be a force for good.

Let's prioritize membership growth - not just in August but every month of the year. Together, through friendship, creativity, and shared purpose, we will grow Rotary and *Unite for Good*.

**Rotarians are finding ways to grow Rotary. They are identifying areas of potential and building clubs that reflect the character and needs of their communities.**

# A Strong Start: Celebrating Unity and Service in July

**D**ear Rotary Family, As we turn the page on the first month of our 2025-26 Rotary year, I want to extend my heartfelt gratitude to each of you for the incredible momentum you've created. July has set a remarkable tone for our year of action, and I am deeply appreciative of the dedication and passion displayed across our clubs.

July is Rotary's dedicated month for Maternal and Child Health. For us in District 9214, it was especially significant not only did it mark the beginning of our Rotary year, but it also laid the foundation for our focus on maternal and child health through this year's flagship project. We now invite every club to develop initiatives in this critical area, whether by equipping health centers with essential MCH equipment, organizing vaccination drives for children, providing training for midwives, or lending vital support to our Oxygen for Life project.

We kicked off our year with a dynamic press conference that brought together representatives from multiple media outlets to learn about our ambitious plans. On the same day, we gathered as one Rotary family at the spectacular launch event hosted by the Rotary Club of Muyenga, with support from Events Warehouse at Speke Resort Munyonyo. It was a joyous occasion, and I am thankful to all District and country leaders from Districts 9212, 9213, 9214 and beyond who joined us. Your presence underscored the unity and shared purpose that define Rotary.

That milestone day featured the launch of our unifying tagline and logo, "Together, One Act at a Time," along with the announcement of several Rotary and Rotaract clubs in formation. We introduced the TRF Donation App, making Mobile Money contributions to The Rotary Foundation easier than ever, and unveiled a special pin to

**Christine Kyeyune Kawooya,**  
District Governor 2025/26-Rotary  
District 9214 (Tanzania & Uganda)

honor everyone who donates at least \$100. We unveiled our newly named District newsletter, One Voice, which will keep us connected and informed as we serve side by side.

To our members who turned out with enthusiasm and spirit; I salute you. Your energy and commitment reminded us why Rotary thrives: because of people like you, who show up ready to serve and to lead. The memories of that day will remain fresh in our hearts, fueling our efforts in the months ahead.

During July, I also had the privilege of visiting several clubs to witness firsthand the wonderful initiatives you have planned. Thank you to every club that welcomed me so warmly. Hearing your innovative ideas and seeing your passion in action was truly humbling. I carry your stories and aspirations with me, and I look forward to walking this journey alongside you, supporting your goals every step of the way.

Amid our celebrations, we experienced moments of deep sorrow as well. We mourn the

passing of the parents of some of our fellow Rotarians. To those who have lost loved ones, please know that our thoughts and prayers are with you and your families during this difficult time. Thank you to all members who offered comfort and solidarity; your kindness reflects the very essence of Rotary's compassion.

Now, as August dawns, we turn our focus toward membership growth and new club development. August holds special significance in the Rotary calendar as Membership and New Club Development Month. I encourage each club to reach out to potential members' friends, colleagues, and community leaders and invite them to experience the fulfillment of Rotary service. Let us expand our footprint, strengthen our network, and welcome fresh voices and talents into our family.

Together, let us build on the strong foundation laid in July. Let us embrace the opportunities of August with the same enthusiasm and unity that carried us through our launch. By engaging new members, nurturing emerging leaders, and supporting one another in times of joy and sorrow, we will advance Rotary's mission of service above self.

Thank you once again for your firm commitment. Here's to a month of growth, connection, and meaningful impact.

## In Rotary Service.

**We introduced the TRF Donation App, making Mobile Money contributions to The Rotary Foundation easier than ever, and unveiled a special pin to honor everyone who donates at least \$100.**

# Club President, Deborah Komugisha Kakande

**D**ear People of Action, As we bid farewell to July and say hello to August, let's take a moment to appreciate all People of Action who made a difference over the past month. Whether it's a kind word, a helping hand or a listening ear, their impactful actions are highly appreciated.

A big thank you to members of the Rotary Club of Nalumunye for taking the first strides into the Action Year where we have seen progress and achievements both at Buddy Group level and club level. We have already witnessed actions aligned with our strategic plan and no doubt, these will continue to progress steadily in the months ahead.

To single out a major movement, is the birth of a new club that is currently at formation stage: Rotary Club of Nalumunye Heights In-Formation, the first club that we will birth in this Action Year. This is in steady progress of formation and we look forward to its provisional status, charter day and continuous growth. In the same vein, we have progressed on our Interact Club In-Formation at Mutundwe Young Christian Secondary School. These are both located within our community and we anticipate community impact with more hands on the job, through our membership extension.

During the month, for the first time in the history of the club,

**Rtn Debbie Komugisha Kakande, President RC Nalumunye-President of Presidents, 2025/26**

we registered and participated at the famous 5-Aside football tournament hosted by the Rotary Club of Kiwatule. This was not only for a great cause as a fundraiser but also a great networking opportunity and bonding with Rotarians across Uganda.

We also successfully started on different Service Projects that will yield impact during this quarter, the significant ones being the renovation of Bunamwaya Community Police Post and a community medical camp where over 650 people were attended to.

My call is that all People of Action in our club, partners and friends of Rotary will hold hands together to deliver unforgettable project milestones in our community and beyond.

And here is to August, a month of new opportunities that bring fresh chances to pursue goals! Try new things and make meaningful connections. With renewed energy, let's approach the month with positivity and an open mind.

Key activity in the month of August will be the District Governor's visit on Wednesday, 27th August 2025. We invite all our friends and supporters to join us to welcome the Governor on this date as we celebrate and share moments with our leader.

Wishing us all a great August, with good health, peace and growth.

**Viva la Rotary**

**And here is to August, a month of new opportunities that bring fresh chances to pursue goals! Try new things and make meaningful connections. With renewed energy, let's approach the month with positivity and an open mind.**

# Message from RI Director Elect, Zone 21&22, Emmanuel Katongole

**D**ear Fellow Rotary Leaders, Rotarians and Rotaractors in Africa, As we begin this new Rotary year, I wish to express my heartfelt appreciation to the leaders and members who served with dedication in 2024–2025. Your tireless efforts and unwavering commitment to our shared ideals have paved the way for even greater impact in the year ahead.

This year, we are called upon to **UNITE FOR GOOD**. It is more than a message; it is a responsibility. Across Africa, Rotary continues to be a beacon of hope, compassion, and action. Each act of service - no matter the size, brings us closer to the continent we envision: one of dignity, opportunity, and peace for all.

Membership remains our greatest strength as well as our inalienable responsibility. As we grow Rotary in Africa, let us focus not only on attracting new members but also on engaging, mentoring, and retaining those already among us. Strong, inclusive, and vibrant clubs are the cornerstone of sustainable change. It is time to create more of such clubs.

Let us also deepen our commitment to collaboration across clubs, across borders, and across generations. Let us uplift the vulnerable, invest in our youth, give to our foundation, and lead projects that create lasting transformation in our communities.

I thank you all for the opportunity to start my service to you from this day as RI Director-Elect (RIDE). Together, we will continue to shape the story of Rotary in Africa: a story of unity, innovation, and impact.

Thank you for your service, your leadership, and your heart.

**Yours in Rotary**

**Each act of service - no matter the size, brings us closer to the continent we envision: one of dignity, opportunity, and peace for all.**

## THE ROTARY NORMS

### The Grace

For what we have received and are about to receive, may God make us truly thankful and ever mindful of the needs of others.  
Amen.

### Loyal Toast

I propose a Toast to His Excellency The President of The Republic of Uganda  
Response To His Excellency The President of The Republic of Uganda

### The four way test

Of the things we think, say or do;

## 5 REASONS TO JOIN ROTARY

# Assistant Governor, Bob Nsereko, RC Bwerenga

Hello, my family of Rotary. What a great start we've had at RC Nalumunye!

I congratulate you, PoP Debbie, and your Board for the great energy exhibited in this first month of your leadership tour. Like the saying goes, the beginning justifies the end, I believe we have had a great kickoff of the year with excellent guest speakers, inception of RC Nalumunye Heights In-Formation and crowning it up with joint projects i.e. donation of furniture at Bunamwaya Police post in partnership with RC Mutundwe and a medical camp at Bandwe in partnership with RC Nalumunye Heights In-Formation and RAC Nalumunye which is in line with the DG Christine's on collaborations and partnerships that should be the *modus operandi* throughout this Rotary year.

Colleagues, August is here- the membership month, official AG

& DG's visiting month for RC Nalumunye. I will officially visit this mighty club on 13th August 2025, and then we shall be hosting our DG on 27th August 2025. It is a month for maximum collaboration with all club members. Let us get together and support the club leadership as they steer us through a robust membership growth campaign and at the same time prepare for the DG's visit.

We must ensure that the dues are paid in time. Also, start our TRF contributions in time so that at the end of the 100 days, we are among the early givers.

I encourage all members to at least get us one new member this year so that we get more helping hands in our Rotary journey.

Club members, please continue embracing unity and teamwork and with that, I believe the sky will be the limit.

**We must ensure that the dues are paid in time. Also, start our TRF contributions in time so that at the end of the 100 days, we are among the early givers.**

Rtn Josephine J.  
Anying (PHF)

## PROJECT HIGHLIGHTS

# Tripartite: Uniting for Better Security in our Community

[It isn't enough to talk about peace. One must believe in it. And it isn't enough to believe in it. One must work at it.] – Eleanor Roosevelt]

On July 26, 2025, the Rotary Clubs of Nalumunye, Mutundwe, Rubaga Lake View, and the Rotaract Club of Mutundwe launched a joint project, TRIPARTITE, at Bunamwaya Community Police Station. The project falls under Rotary International's Focus Area of "Peace Building and Conflict Resolution."

A needs assessment revealed that the living and working conditions of security personnel at the station required improvement. The police station's structures were in disrepair, with leaking roofs and damaged doors. Inmates also lacked adequate bedding.

President Deborah K. Kakande of Rotary Club of Nalumunye emphasized the importance of supporting the government to enhance security personnel's living conditions, enabling them to provide better services to the community.

The four Rotary Clubs have outlined a comprehensive plan to renovate the police station, including fixing ceilings, installing new doors, and painting among other repairs, revealed President Stella Muhumuza of RC Mutundwe.

On the other hand, President Ivan Mulumba of Rubaga Lake View thanked Rotarians for their contributions and sacrifice, highlighting the significance of

**A needs assessment revealed that the living and working conditions of security personnel at the station required improvement.**

joint partnerships in creating community impact.

Rotaracters were not left out in this joint project. The Rotaract President, Nassamba Maria Praise on the other hand pledged to lead her team to support this project to completion. "It's humbling to be part of this noble cause. We're happy to be part of this and I know that by the end of the project, we will have created impact; Together, One Act At A Time!" She said.

The event was graced by Assistant Governor Robert Nsereko expressed excitement

about the project, emphasizing its alignment with Rotary's areas of focus and thanking Rotarians for their participation and generosity. "Thank you for heeding to the Governors' call to work in tripartite. It's one of the ways you can to deliver impactful projects," AG Bob said, before encouraging Rotarians to keep working together. He appreciated the police for the partnership and choosing to partner with Rotary.

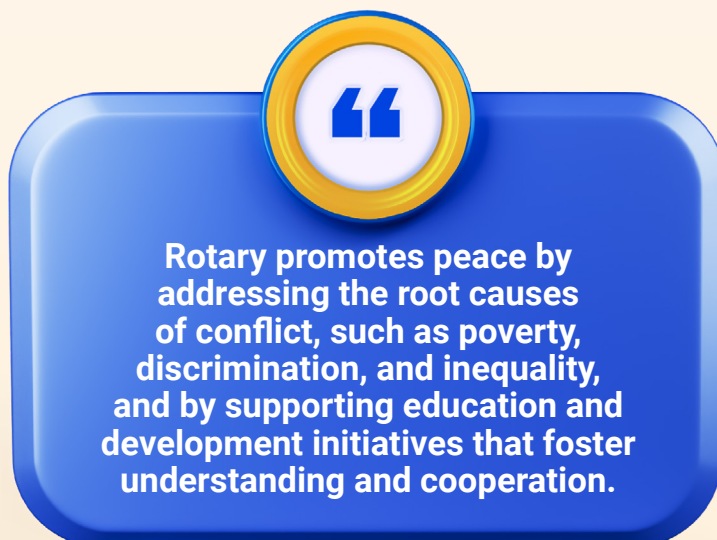

In a show of confidence, the O/C Station Nvano Raymond welcomed the project, noting that improved working conditions

would energize his staff to serve better. He welcomed the initiative and pledged his support and commitment.

According to one of the Project Directors Rtn Ssuna from RC Mutundwe, the project is expected to be completed within a month. He called on Rotarians to actively participate to enable the timely completion of the project.

Peacebuilding and conflict resolution is a core focus area for Rotary International. Rotary promotes peace by addressing the root causes of conflict, such as poverty, discrimination, and inequality, and by supporting education and development initiatives that foster understanding and cooperation. One of the ways to achieve this is through local and global service projects among others.

As a humanitarian organization, peace is a cornerstone of our mission. We therefore believe that when people work to create peace in their communities, change can have a global effect.

Rtn. Godfrey Muhwezi

# Maternal and Child Health in Africa: A Spotlight on Uganda and Rotary's Impact

**M**aternal and child health remains one of the most pressing public health challenges across Africa. Despite significant progress over the past two decades, millions of women and children still face preventable health risks due to limited access to quality care, poor infrastructure, and socio-economic barriers. In Uganda, the situation reflects both the continent's struggles and its resilience. As Rotary International continues to champion maternal and child health globally, clubs like Rotary Club of Nalumunye are stepping up in 2025/2026 to make a tangible difference.

Africa accounts for 69% of global maternal deaths, with sub-Saharan Africa bearing the highest burden. According to the World Health Organization, the maternal mortality ratio (MMR) in the region stands at

approximately 545 deaths per 100,000 live births, compared to 12 per 100,000 in developed countries. The under-five mortality rate is also alarming, with 5.6 million children dying annually from preventable causes such as malnutrition, infections, and poor sanitation. The Major reason that contribute to this state of affairs is limited access to skilled birth attendants, inadequate antenatal and postnatal care, High rates of adolescent pregnancies, Poor health-seeking behavior and infrastructure gaps

Uganda has made commendable strides in improving maternal and child health

outcomes. According to the 2022 Uganda Demographic and Health Survey (UDHS):

- Maternal mortality ratio dropped from 336 (2016) to 189 deaths per 100,000 live births

**As Rotary International continues to champion maternal and child health globally, clubs like Rotary Club of Nalumunye are stepping up in 2025/2026 to make a tangible difference.**

- Infant mortality rate stands at 36 deaths per 1,000 live births
- Under-five mortality rate is 52 deaths per 1,000 live births
- Neonatal mortality rate is 22 deaths per 1,000 live births

**Despite these improvements, challenges persist:**

- Teenage childbearing remains high, with 1 in 4 adolescents having begun childbearing
- Only 66% of mothers receive postnatal care within 2 days
- Stunting affects 24.4% of children under five, indicating chronic malnutrition

Rotary International has long prioritized maternal and child health as one of its seven areas of focus. Through its global network, Rotary:

- Distributes clean birth kits and trains health workers in safe delivery practices
- Supports mobile prenatal clinics in remote areas, such as Haiti and Nigeria
- Funds neonatal equipment for hospitals through global grants
- Promotes immunization campaigns, breastfeeding education, and HIV prevention

In Africa, Rotary clubs have launched initiatives to:

- Renovate maternity wards
- Train midwives and traditional birth attendants
- Provide cancer screening for women
- Support obstetric fistula repairs and postnatal care

In alignment with Rotary District 9214's theme of "Women and Children First", the Rotary Club of Nalumunye has declared maternal and child health as its flagship focus for the 2025/2026 Action Year.

**Planned Initiatives Include:**

- Distribution of mama kits and mosquito nets to expectant mothers in underserved communities
- Community health talks on prenatal care, nutrition, and hygiene
- Support for local health centers with essential supplies and equipment
- Engagement with schools and churches to promote adolescent reproductive health education

This commitment is part of a broader district-wide strategy to reduce maternal mortality, improve immunization coverage, and empower women through education and leadership development. To sustain progress in maternal and child health, Uganda and Africa must:

- Strengthen health systems and infrastructure
- Expand access to skilled birth attendants and emergency obstetric care
- Promote adolescent health education and family planning
- Foster public-private partnerships, including with organizations like Rotary

Maternal and child health is not just a health issue- it's a matter of dignity, equity, and future prosperity. As Uganda continues its journey toward healthier families, the Rotary Club of Nalumunye stands as a beacon of hope and action. Through its 2025/2026 initiatives, it is not only saving lives but also inspiring a culture of care, compassion, and community transformation.

# Deepening Bonds and Building Bridges: Membership in Action

Since July 2025, our club has taken deliberate steps to strengthen Rotary experience for both prospective and current members through a range of meaningful engagement initiatives.

## Mentorship Series for Prospective Members

Recognizing that a well-informed Rotarian is an empowered Rotarian, we launched a Mentorship Series Programme targeting prospective members who are exploring the journey of Rotary service. The sessions are designed to unpack Rotary's vision, values, and structure while providing space for personal stories, questions, and interactive learning.

This initiative has brought seasoned Rotarians and aspiring members together in a dynamic learning exchange – where values are passed down, friendships are formed, and leadership is nurtured. We believe this effort will not only improve retention but also create a stronger pipeline of engaged, purpose-driven Rotarians.

The “Each One Bring One” Campaign, launched in July 2025, where each Rotarian will sponsor another member to the club, has been a cornerstone for the

**Didas Kumwesiga,**  
Membership Director,  
Rotary Club of Nalumunye

number of prospective members undergoing mentorship. Each of the past four sessions has attracted at least 20 participants. I am glad to report that RC Nalumunye Heights in formation prospective members have immensely benefited from the mentorship sessions.

## Family of Rotary: Walking Together in Times of Need

Rotary is not just about projects and meetings – it is about people. As part of our commitment to the “Family of Rotary,” the club, under the command of the Family of Rotary Officer, coordinated visits and check-ins with members going through challenging times, including those who have lost

**I am glad to report that RC Nalumunye Heights in formation prospective members have immensely benefited from the mentorship sessions.**

L- R: Rtn. Didas, Rtn Moses O, and Rtn Maureen, together with a caretaker for Rtn. Edward Kakumba's mother at Mulago Heart Institute, July 2025

loved ones or are caring for ill family members.

These gestures, while simple, reinforce that Rotary is a family, where we show up for each other not just in moments of celebration, but also in times of grief, illness, and vulnerability.

**A Call to All Members:** I invite each one of us to continue living the spirit of Rotary not only through service projects but also through intentional acts of kindness, mentorship, and connection within the club. Let us strive to be a club where every member feels seen, supported, and valued.

As we continue our Rotary year, may our commitment to Service Above Self extend beyond our programs and into the very fabric of how we relate to one another.

Rotary  
Club of Nalumunye

Hon. Lady Justice  
Rosemary Ngabirano  
Bareebe  
Judge of the High Court |  
Rotary Leader | Mentor  
of Daughters | Builder of  
Legacies

KNOW YOUR CLUB MEMBER

## A Spotlight on Hon. Lady Justice Rosemary Ngabirano Bareebe: Grace in Robes, Love at Home, and Service Beyond Self

In the courtroom, Hon. Lady Justice Rosemary Ngabirano Bareebe is known for her incisive legal mind, ethical clarity, and steady leadership. But beyond the Bench, those closest to her speak of another rare gift- her *silent strength and generous heart*. As one member of the Rotary Club of Nalumunye observed, *"She has had an invisible hand in where this club is today- steady, strong, and service-driven."*

A Major Donor Level 1 to The Rotary Foundation, she has attended five Rotary International Conventions and five District Conferences, cementing her presence as a quiet but strategic force in Rotary growth and service. Her guiding presence, mentoring spirit, and willingness

to serve behind the scenes have shaped lives and legacies in immeasurable ways. She lives Rotary's call- Service Above Self- with grace and conviction.

Justice Bareebe is also a passionate global citizen and traveler, having journeyed to every continent except Antarctica. Her travels across Europe, Asia, Australia, North America, South America, and Africa have broadened her perspective and strengthened her empathy.

### A Trailblazing Judicial Career

With more than 20 years in Uganda's Judiciary, Justice Bareebe has risen through the ranks- from Magistrate to Registrar, and now Judge of the High Court. She is part of the team shaping

As one member of the Rotary Club of Nalumunye observed, *"She has had an invisible hand in where this club is today- steady, strong, and service-driven."*

the Judiciary's transformation agenda and is recognised for her meticulous judgments, equitable mediation, and strategic reform leadership.

## Beyond the Bench

- Mentor & Educator – Part-time law tutor and external examiner
- Orphan & Widow Supporter – Volunteer with church-led outreach
- Pillar of Family – Devoted mother raising children of character, purpose, and faith

## Academic Credentials

- LL.M in Human Rights & Democratisation in Africa, University of Pretoria (South Africa)
- MBA in Management, Uganda Martyrs University – Nkozi
- LL.B, Makerere University
- Postgraduate Diploma in Legal Practice, Law Development Centre
- Additional training in International Law, Good Governance, Socio-Economic Rights, and Access to Medicines

At the heart of Justice Bareebe's world is her role as a mother and mentor. She has raised and nurtured over fifteen daughters- both biological and spiritual- each reflecting her belief in educating, empowering, and equipping girls to transform society.

## Among them:

A PhD Scholar in Biomedical Engineering, recently married to

## Meet Her Daughters – A Living Legacy

*The Princess of the house*

*Dr Ryan and Beryl Robinson*

Dr. Ryan Robinson- the newlyweds are building a life of scholarship, service, and love across borders

- A Medical Doctor
- A Geological Engineer
- A Land Surveyor
- An Industrial Fine Artist
- A Computer Prodigy
- A Rotary Youth Exchange Scholar
- Two younger daughters in primary school and reception, already demonstrating brilliance and confidence

Six of them currently live across the United States, Canada, Germany, Spain, and Uganda, each one a torchbearer of her values.

"Whether in the sciences, tech, healthcare, or the arts, they shine brightly- and they all call her Mama."

## The Invisible Hand of Rotary Impact

Justice Bareebe is a Charter Member and currently serving as Diversity, Equity and Inclusion (DEI) Officer for Rotary Club of Nalumunye. She previously served as Change Maker Vice President and also served on various club committees. She remains deeply engaged in the club's flagship initiatives, including maternal and child health, and WASH (Water, Sanitation and Hygiene).

"Justice Bareebe is the soul of servant leadership," says a fellow Rotarian. "She doesn't just show up- she builds, she uplifts, and she blesses."

## Words She Lives By

"The most enduring judgments are not written in law books, but engraved on hearts."  
- Hon. Lady Justice Rosemary N. Bareebe

And when all is said and done, she hopes her epitaph will read simply:

"She loved."

**Justice Bareebe is the soul of servant leadership," says a fellow Rotarian. "She doesn't just show up- she builds, she uplifts, and she blesses.**

# Nalumunye: Where a Visiting Rotarian Becomes Family

From the moment I stepped onto the Genteel Rooftop, Nalumunye on a Wednesday evening, the Rotary Club of Nalumunye wrapped me in an embrace so genuine, so profoundly Rotarian that it felt less like a homecoming. As a Rotarian, I have had the privilege of experiencing various club fellowships. Each has its unique flavor, its distinct energy. But Nalumunye? Nalumunye operates on the frequency rarely encountered, a testament to the purest form of Rotary spirit.

The warm welcome wasn't just a polite greeting; it was an immediate absorption into their vibrant tapestry. Faces lit up, not with feigned enthusiasm, but with a palpable joy at the presence of a fellow Rotarian. The hugs were genuine, the kind that convey real affection and camaraderie, not just a customary gesture. Every smile was a heartfelt invitation to belong, to share in their meeting.

What truly set Nalumunye apart was the special care. It was not just about being acknowledged; it was about being seen, understood, and treasured. From ensuring I had the best seat to introducing me to members with beaming pride, they curated an experience that made me feel not only welcome, but also truly valued. There was unspoken understanding a shared language of service and friendship that transcended any perceived

**Rtn. Doreen Martha  
Nakimbugwe, Rotary Club  
of Mutundwe**

differences. It's that feeling of being an integral part of the fabric, even if just for an evening, that makes a Rotarian feel truly treasured by a hosting club.

Then, there is the KIMEZA, oh, the Nalumunye kimeza! If you know, you know. It is that incredible after fellowship moment where Rotarians truly let loose. Its where the tables are cleared, the music turns up, and the floor becomes alive with dancing, the clinking of glasses signals drinks being shared, and members genuinely bond with each other and make merry until wee hours. The energy is infectious, the bids are spirited, and the laughter is unrestrained.

It's a master class in engaging fellowship, and its undeniably on another level. My last fellowship with them was a testament to this unique Nalumunye phenomenon. I walked out of the venue, blinking into the Kampala night, at 12AM. Yes, you have read that right. Midnight. The fellowship had seemingly transitioned from the official meeting to an extended session of laughter, storytelling, and the unparalleled kimeza energy. Time simply ceased to exist in the embrace of such genuine camaraderie.

The vibrancy of the members isn't just about high energy; it's about a deep seated passion for Rotary mission, a genuine love for one another, and the unshakable commitment to their community. Every member exudes an infectious enthusiasm that speaks volumes about the joy they find in service. A club truly embodies the "Fun in Rotary" proving that impactful service can be delivered with immense joy and genuine connection.

To Rotary club of Nalumunye, thank you. Thank you for reminding me why we are Rotarians. Thank you for setting golden standard for welcoming visiting Rotarians. And, thank you for the kimeza experience that will forever be etched in my memory. You didn't just host me; you embraced me, celebrated me and left me feeling genuinely treasured.

**Rtn Moses Ronald Oteng,  
President Elect RC  
Nalumunye**

# The Appointment of Rotary International Director Elect Emmanuel Katongole: A Milestone for Zone 22 and District 9214

The appointment of Emmanuel Katongole as Rotary International Director Elect represents a significant milestone for Zone 22, which encompasses 20 districts and clubs across Africa, including District 9214. This district comprises Uganda, part of Rwanda, and all of Tanzania, with 114 clubs and 3,328 members.

## Promoting Rotary's Mission

As Director, Katongole will champion Rotary's core values of service, fellowship, diversity, and integrity. He will focus on promoting Rotary's mission, fostering global understanding, and driving the organization's goals in Africa and beyond. According to Rotary International's

strategic plan, "Rotary's mission is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders" (Rotary International).

## Impact on Uganda and Tanzania Inspecting one of the WASH Projects at Omugari H/C III

Katongole's appointment will likely benefit both Uganda and Tanzania in several areas:

**Humanitarian Service:** Enhanced efforts in promoting peace, combating diseases, and uplifting local economies. For example, Rotary's Disaster Response

program provides critical support to communities affected by natural disasters (Rotary International, 2022).

**Economic Growth:** Fostering economic development and growth through Rotary's initiatives and partnerships. Rotary's vocational training programs, for instance, equip individuals with skills to secure employment and start their own businesses.

**Global Peace:** Encouraging peacebuilding and conflict resolution efforts across the region. Rotary's Peacebuilding program promotes conflict resolution and reconciliation in communities affected by violence and conflict.

## Katongole's Background and Expertise

As a seasoned Rotarian and business leader, Katongole has:

- ▶ Served as District Governor for Rotary District 9211 (Uganda and Tanzania)
- ▶ Initiated the Mengo Hospital Rotary Blood Bank project, which has saved countless lives in Uganda.
- ▶ Established the Makerere University Rotary Peace Centre, promoting peace and conflict resolution in the region.
- ▶ Chaired the Peace Major Gifts Initiative Committee, supporting Rotary's peacebuilding efforts worldwide.

## Collaboration and Leadership

Katongole's leadership and expertise will likely have a lasting impact on District 9214 and Rotary International. As Rotary International President R. Gordon R. McNally noted, "Leadership is not about titles, positions, or flowcharts; it is about one life influencing another" (McNally, 2022). Katongole's collaborative approach will enable Rotary to leverage the strengths and resources of both Zone 21 and Zone 22, promoting greater impact and effectiveness in addressing global challenges.

## District 9214: A Hub for Rotary's Efforts

District 9214, with its 114 clubs and 3,328 members, is a vital hub for Rotary's efforts in Uganda, Tanzania, and Rwanda. The Immediate Past District Governor, Agnes Mungati Batengas, highlighted the importance of partnerships, citing Centenary Bank's significant sponsorship

*Director with friends in Northern Africa*

*Director Katongole planting a tree at National Medical Stores*

of Shillings 200 million for the district's conference and outreaches. This partnership demonstrates the potential for Rotary to work with local organizations and businesses to drive positive change in the region.

## Conclusion

Emmanuel Katongole's appointment as Rotary International Director Elect represents a significant milestone for Zone 22 and District 9214. His leadership and expertise

will likely promote a brighter future for generations to come in Uganda, Tanzania, and beyond. As Katongole embarks on his new role, he will undoubtedly build on Rotary's legacy of service and humanitarian work, inspiring others to make a positive impact in their communities.

# A Pledge To Give Leadership To The Rotaract Action Presidents

**A**s I reflect on our Journey as Young Rotaract Leaders and the accomplishments we look forward in the near future, I'm proud to lead and serve an organization for dedicated leaders with passion and mission of impacting our communities. I'm grateful for our team's hard work and commitment displayed as we embark on the Action year Journey of service Above self as we continue to uphold these principles and strive for excellence. I intend to Champion my Club the Rotaract Club of Kabalagala in Advocating for Peace in our communities and specifically, we are having our Mega Western 2nd Annual Peace Festival in Bushenyi at Bweranyangi Girls Senior Secondary School from the 18th-21st September, 2025. I also intend to mobilize my fellow presidents to adhere to the District call of BASIC EDUCATION AND

LITERACY PROGRAM And other District initiatives like RYLA, REI, DCA, RAS, REACT as we UNITE FOR GOOD. In this Action Year, We as Presidents tend to prioritize three major calls from our RI-PRESIDENT

1. Continuity (Membership Growth)
2. Innovation
3. Partnerships

I'm excited about the impact we're making in communities and as President Of Presidents, I pledge to Serve with integrity, vision, and passion. Thank you for being part of our journey.

**#Together, One Act At A Time**

**#Unite For Good**

**Yours Sincerely,**

**Rtr. Ibrahim Okot,  
President Of Presidents  
D9214 (President, Rac  
Kabalagala)**

**I'm excited about the impact we're making in communities and as President Of Presidents, I pledge to Serve with integrity, vision, and passion.**

# The Youth In Action:Rotaract Club Of Nalumunye July Recap

What a way to begin the Action year!

Greetings dear Rotarians, Rotaractors and friends. Well done on everything you have accomplished throughout the first month of this Rotary Year. Special shout out to my Rotaractors of RAC Nalumunye, for a splendid job done thus far. And to our amazing sponsor club, RC Nalumunye, Bravo!

Here is a brief recap on our first month of this year- what a great start it has been!

First things first, we kicked off the year with a club Retreat, on 29th June 2025, a refreshing getaway that gave members a chance to bond, reflect and realign our goals for the year ahead. It was a space for vision sharing, team building and igniting our passion for service. These are some of the activities we engaged in;

Launched a WASH Project at Bandwe primary school, in the spirit of creating healthier learning environment. We educated students on the importance of hygiene, with the lead trainer being our very own Rtr Denis Mbuga, donated essential

supplies like liquid soap and toilet paper, and reinforced the critical link between cleanliness and health.

Participated in the launch of the Rotary Year at Speke Resort Munyonyo, a proud moment for the entire club as we joined fellow Rotaractors and Rotarians together with the District Governor and the DRR. It was an evening of elegance, inspiration and recommitment of service.

Participated in the 5-Aside football tournament, together with our Mother club, RC Nalumunye in a thrilling mix of sportsmanship. The event fostered connections with other clubs and served as a great platform for fellowship and fitness.

We participated in a District training of central zone 1 and central zone 5 clubs.

We participated in the Tuesday clubs' Cancer Run Activation, hosted by the Rotaract club of Rubaga and had the chance to fellowship with all Tuesday clubs in D9214

We had a Joint medical camp with our Mother Club RC Nalumunye

together with RC Nalumunye Heights In-formation. We had many partners including BBS Terefayina, Buganda Kingdom, Wakiso District Local Government, AIDS Information Centre, Reproductive Health Uganda, Uganda Police, Musa Orthopedic Centre, and CORSU Hospital among others.

We participated in the launch of the Peace Festival at Speke Resort Munyonyo.

All our Tuesday fellowships remained consistent and enriching, featuring thought-provoking topics, guest speakers, and powerful discussions.

RAC Nalumunye has also embarked on a journey of forming an Interact Club at Mutundwe Young Christian School. This marks a major step in nurturing future leaders and building a pipeline of youth passionate about service.

With such a vibrant start, my heart is full, and there's no doubt that this Rotary year will be full of Impact and growth. Let's continue to show up, serve and lead with purpose!

Together, One Act at A Time

# July in Motion: The Heartbeat of Service with the Rotaract Club of Nalumunye

Compiled by: Rtr Rashid Kizito

## Hydrate for Education – WASH Project Launch Activity (4th July 2025)

The Action Year commenced with impact-driven action at Bandwe COU Primary School through our flagship project “Hydrate for Education”. The Project focusses on Water, Sanitation, and Hygiene (WASH). This was more than infrastructure — it was about instilling dignity and opportunity for school going children. This heartbeat of change was powered by collaboration with the Rotary Club of Nalumunye, reminding us that sustainable impact begins with clean water and informed mind.

## Rotary Club of Nalumunye and Rotaract Club of Nalumunye collaborate to Launch an INTERACT CLUB

As the Action Year Started, the two clubs were already in high gear to launch an Interact Club. On 4th July, we eventually launched the Interact Club at Young Christian Secondary School, Mutundwe, under the leadership of Rotaract Action President Jamilah Mutaawe, with guidance from Action President Deborah Kakande of the mother club.

The Interact Club has quickly grown into a vibrant platform where students are learning to lead, serve, and grow together. Through activities like clean-up drives and planning sessions, members have embraced values such as teamwork, responsibility, and compassion, all grounded in our strong Christian foundation.

In just two months when we started the journey, it's been nothing but an inspiring experience. The Interact Club has brought new energy and purpose to our school community, setting high expectations for leadership and impact. Though still in its early stages, the club is already shaping a generation of confident, service-driven students—and the future looks incredibly promising.

### **Cancer Run Activation – Macsedo Resort (22nd July 2025)**

Health advocacy continued with our club joining the Cancer Run 2025 Activation at Macsedo Resort, hosted by the Rotaract Club of Rubaga. This collaborative engagement highlighted the importance of awareness-to-action in the fight against cancer. Through community mobilization and fundraising, we helped amplify the heartbeat of hope for patients and families across Uganda.

### **Medical Camp – Bandwe COU Primary School Playground (26th July 2025)**

We closed the month with heart and healing during the Medical Camp held at Bandwe Church of Uganda Primary School. Partnering with the Rotary Club of Nalumunye and other organizations, we offered critical services including immunization, cancer screenings, HIV testing, orthopedic consultations, pediatric services, and blood donation. This all-day event was a living testament to the Heartbeat Philosophy – a rhythm

of compassion, prevention, and empowerment reaching the most vulnerable.

### **The Heartbeat Continues**

Through every project, every meeting, every smile shared and hand extended, the Rotaract Club of Nalumunye has kept in sync with the steady, unshakable heartbeat of our mother club – one beat at a time. July was not merely a month of activity; it was a manifestation of a deeper purpose. A purpose to serve. A purpose to grow. A purpose to inspire.

As we venture into the coming months, we carry forward this rhythm of responsibility, not as individuals, but as a unified force – living proof that the heart of Rotary beats strongest when its people act together. Because at Nalumunye, we don't just serve... we live the heartbeat of change, together, One Act At A Time

## MEMBERSHIP IN ACTION

# Rotary Club of Nalumunye Heights Information (RCNHI) Making Great Strides

The Rotary Club of Nalumunye Heights Information (RCNHI) has been actively engaging aspiring charter members through impactful fellowship, service, and mentorship since its inception a month and a half ago. The club has consistently held weekly fellowships every Monday at 7:00 PM at Genteel Gardens, where members meet physically to build bonds, share knowledge, and strengthen their commitment to Rotary ideals.

The fellowships have featured high caliber guest speakers who have offered deep insights into Rotary and leadership, including Past District Governors Francisco Ssemwanga and Ken Mugisha, Dean of Assistant Governors CP Bwanika, and District Executive

Secretary Ismael Mukasa, among others. Their messages have inspired and informed the group on the essence of Rotary service and club development.

To foster fun and fellowship, the last Monday of every month is reserved for light-hearted, engaging activities like live band performances and karaoke nights. This vibrant tradition offers members a chance to relax and connect beyond formal Rotary sessions.

The club strongly encourages members to participate in physical fellowships and to enrich their Rotary journey by

visiting other clubs. These visits serve as a platform to observe best practices, learn new ideas, and broaden networks. Additionally, mentorship sessions hosted every Thursday at 7:00 PM by the Mother Club, Rotary Club of Nalumunye have been instrumental in guiding aspiring members through the Rotary journey.

**To foster fun and fellowship, the last Monday of every month is reserved for light-hearted, engaging activities like live band performances and karaoke nights.**

To further structure its operations, the club In-Formation has successfully constituted its interim Board of Directors, reflecting a committed leadership ready to steer the club to chartering and beyond.

## Board of Directors – Rotary Club of Nalumunye Heights In-Information

Headed by Charter President Designate (CPD) Lydia Marjorie Walusimbi, the club In-Formation currently has 10 aspiring charter members who have committed to paying their charter dues. Other 15 members have expressed interest in being chartered, and the club is actively working toward engaging these.

“I am very excited at the strides,” said CPD Lydia, adding that the future is bright because the members have energy and determination to take Action!

*Aspiring members taking Rotary norms during fellowship*

Service remains at the heart of the club's mission. The club is proud to partner with the Rotary Club of Nalumunye and Rotaract Club of Nalumunye on the medical camp where we registered over 250 people who came for medical attention. This noble initiative, took place on July 26, 2025, and is a testament to the club's readiness to serve and positively impact the community even before achieving its provisional charter status.

Looking ahead, the club is already identifying potential long-term service projects that align with Rotary's areas of focus. These initiatives are expected to anchor the club in sustainable community transformation and ensure relevance in the lives of the people it serves.

As July 2025 concludes, the Club In-Formation will be submitting its application for provisional status by the New Club Advisor (NCA), to the District Membership Chair (DMC), marking a significant milestone in the club's chartering journey. The club has also undertaken several strategic visits to other clubs, reinforcing its learning culture and building vital Rotary relationships.

Indeed, the club In-Formation is on a dynamic path of growth, service, and learning. With passion, purpose, and people at its core, the club is focused to make a lasting impact within the Rotary family and the broader community.

**Rtn Lydia Walusimbi (MD), CPD, Rotary Club of Nalumunye Heights In-formation**

*Aspiring members of Nalumunye Heights In-Formation during a medical camp on 26th July*

## JULY ACTIVITIES AND EVENTS

*RC Nalumunye also participated in the launch of the Action Year in July 2025. Both Governor Christine and DRR Alebar called for us to Unite in order to create One Act at a Time!*

### Rotary 5-A-Side Tournament (19th July 2025)

On the 19th of July, both the Rotary and Rotaract Clubs of Nalumunye swapped project boots for cleats and joined fellow clubs at Kampala International School for the Rotary 5-A-Side football tournament hosted by the Rotary Club of Kiwatule. This wasn't just about football; it was about camaraderie, fitness, and fellowship — key elements that keep the Rotaract heart youthful, agile, and connected.

*The RC Nalumunye Team during the Rotary 5-A-Side Football tournament*

Community Medical Camp

## Joint Project Launch at Bunamwaya Community Police Post

**PARTNERS:** Rotary Club of Nalumunye, Rotary Club of Mutundwe, Rotary Club of Rubaga Lake View, & Rotaract Club of Mutundwe

**Project Brief:** Renovation of the Bunamwaya Community Police Station. Revamping the ceiling, revamping the doors and windows, as well as painting works.

*POP Debbie K. Kakande of RC Nalumunye at the Installation of Action President Kin Karisa of Kigo 7 Lakes*

*HCP Lukwago Paddy at the Cancer Run 2025 Activation that took place at Nsambya Hospital*
