Celebrating Service, Growth, and Lasting Impact

PP Philemon Kirunda Mukisa, Chief Editor

Welcome to another exciting edition of the Nalumunye Trumpet, a publication that celebrates the people, partnerships, and projects that continue to define the Rotary Club of Nalumunye as a club of action and impact.

This edition captures an inspiring journey from vision to reality as we celebrate the chartering of the Rotary Club of Nalumunye-Katale, a testament to our commitment to Rotary growth and extension. We also relive the remarkable "10 Days of Double Impact," where 21 Club Presidents united behind one mission—serving communities through collective action.

You will also read about the vibrant activation of the Cancer Run 2026, where the resounding "Ggwanga Mujje" call rallied members and friends to support the fight against cancer. Our feature on the Tigers' membership engagement demonstrates how fellowship and innovation continue to strengthen our club, while A Rotarian Abroad,

A Family Found reminds us that Rotary's greatest strength is its global fellowship.

We also celebrate a historic milestone as the Interact Club of Mutundwe Young Christian Secondary School begins its journey of service and leadership, while the Mama Toto Care Project showcases Rotary's commitment to saving lives through improved maternal and newborn healthcare at Kajjansi Health Centre IV. Finally, we extend our heartfelt congratulations to all our members who have been appointed to serve beyond the club. Your appointments reflect the confidence that Rotary has in your leadership and commitment to Service Above Self.

As you turn these pages, may you be inspired by the stories of service, leadership, and lasting impact. Together, we continue to build a stronger Rotary and transform lives.

From Service to Lasting Peace

Peace does not happen by accident. It must be pursued deliberately, built strategically, and woven intentionally into everything we do. That is the challenge I am placing before the Rotary world this year.

Rotary recognizes peacebuilding as one of our areas of focus. But I believe peace must be more than a category of work we set aside for certain projects. It must become a lens, one we choose to look through every time we plan, every time we serve, every time we ask what kind of impact we truly want to leave behind.

The Institute for Economics and Peace has identified eight Pillars of Positive Peace: well-functioning government, a sound business environment, equitable distribution of resources, acceptance of the rights of others, good relations with neighbors, free flow of information, high levels of human capital, and low levels of corruption. These pillars describe the conditions that make lasting peace possible. And when I look at them carefully, I see enormous potential for Rotary. Not because our work automatically advances peace but because it can when we are deliberate about it.

That is the key word: deliberate.

A water project does not build peace on its own. But a water project designed with the Pillars of Positive Peace in mind — one that asks how equitable

Olayinka H. Babalola, Rotary International President 2026-27

access to resources strengthens community trust — can begin to lay that foundation. A vocational training program does not guarantee reconciliation. But one that intentionally brings divided

communities together around shared economic opportunity can start to build it. The project does not change. The intention does.

In Colombia, Rotary's Pathways to Peace and Prosperity program shows us what this looks like in practice. Working in communities shaped by decades of armed conflict and displacement, the program combines economic empowerment with conflict resolution training and community-led reconciliation. Peace was not a hoped-for side effect. It was central to the design. That is the standard I am calling all of us to follow.

As you plan your next project, whatever the focus area, I want you to pause and ask one question: How does this create the conditions for peace? Consult the Pillars of Positive Peace. Find where your work connects. Then, make that connection intentional. Share what you discover with your club, your district, and your community. The more we talk about peace as a practice rather than a destination, the more naturally it will shape everything we do.

This is not about doing different work. It is about doing our work differently, with greater awareness, greater purpose, and a clearer vision of the world we are trying to build. Every Rotary project carries potential. Our task is to unlock it, not by chance but by choice.

Rotary recognizes peacebuilding as one of our areas of focus. But I believe peace must be more than a category of work we set aside for certain projects.

MONTHLY TRF RECOGNITION AWARDS

• Celebrating Giving. Empowering Change. Transforming Lives. •

1

Top 10 TRF Clubs of the Month – Recognising the top ten clubs with the highest giving.

2

Top 10 Rising Star Clubs of the Month – Recognising the ten clubs that have recorded the most significant growth in TRF giving compared to the same period in the previous Rotary year.

3

TRF President of the Month – Recognising the Club President who has demonstrated exceptional leadership in promoting and advancing The Rotary Foundation – he/she must have donated to TRF this Rotary year as well.

4

TRF Director of the Month – Recognising the Club TRF Director who has excelled in mobilising members, promoting giving, and achieving club TRF goals and must have also donated to TRF this year.

5

TRF Assistant Governor of the Month – Recognising the Assistant Governor whose zone/cluster has demonstrated outstanding performance in TRF giving and must have also donated to TRF this Rotary year.

6

TRF Corridor of the Month – Recognising the highest-performing corridor based on overall giving and progress towards its annual target.

7

Top 10 PolioPlus Givers of the Month – Recognising the ten Clubs with the highest contributions to the PolioPlus Fund during the month.

8

Club with the Highest Number of New Paul Harris Fellows (PHFs) – Recognising the club that has recorded the highest number of NEW PHFs during the month.

9

Club with the Highest Number of New Major Donors (MDs) – Recognising the club that has produced the highest number of new Major Donors during the month.

10

Club with the Highest Number of New Paul Harris Society (PHS) Members – Recognising the club that has enrolled the highest number of new Paul Harris Society members during the month.

11

Club with the Highest Number of New PolioPlus Society Members – Recognising the club that has enrolled the highest number of new PolioPlus Society members during the month.

Together, we do more.

Every Member Matters

Dear Rotarians, Rotaractors and Friends of Rotary, By the time this edition of Ubuntu District Magazine reaches you, we will be more than thirty days into the new Rotary year. The excitement of July may be behind us, but our journey has only just begun. The countdown to our first hundred days is underway, and every day brings another chance to turn vision into visible, lasting impact.

Looking back over the past month fills me with gratitude and optimism. Across Uganda and Tanzania, I have watched clubs embrace this year's call to action with remarkable energy. We have welcomed more than 80 members into our Rotary family, launched projects that are already changing lives, contributed generously to The Rotary Foundation, inspired and motivated our young leaders, and celebrated the fellowship that continues to define District 9214. These are not simply activities on a calendar. They represent people whose lives are being transformed and communities that are becoming stronger through our collective service.

As I write this, I am in Tanzania for the first leg of my district tour, visiting clubs, listening to members, and seeing first-hand the work being carried out in our communities. There is no substitute for being present. Every visit reminds me that Rotary's greatest strength lies not in our plans or our policies, but in our people. Meeting members where they serve,

**Daniel Mukasa Ddamulira,
District Governor 2026–
2027 Rotary District 9214**

hearing their stories, and witnessing their passion reinforces my belief that together we are capable of extraordinary things.

August holds special meaning in our Rotary calendar as we mark Membership and New Club Development Month. Membership

is the heartbeat of Rotary. Every member who feels welcomed, valued, and engaged strengthens not only their club, but our entire district.

My call to action this month is simple: become an active ambassador for Rotary. Extend an invitation to someone in your circle, mentor a club member, and gently re-engage members you haven't seen for a while. When we build spaces where people find genuine connection and real purpose, our impact naturally grows. In the end, Rotary's greatest legacy will always be the lives we touch and the communities we build together.

As we move into the weeks ahead, let us not lose the momentum we have created. Keep engaging in your club's activities. Keep serving with compassion. Keep giving generously to The Rotary Foundation. Keep telling Rotary's story with pride. And most of all, keep believing that your individual contribution matters.

Our first month has shown us what is possible. As we continue through our first hundred days, let us build on this momentum, because the next eleven months will be defined by what we choose to do together.

Let us keep moving forward with courage, unity and purpose.

Each One, Engage for Impact.

Yours in Rotary Service.

GENTEEL ROOFTOP,
NALUMUNYE

A Strong Start To Rotary Membership and Extension Month

Warm greetings to you all. I hope this message finds you well as we continue creating lasting impact through our service. As we begin the month of August, I would like to sincerely thank each one of you for finishing the month of July on a high note.

Our blood donation campaign was both successful and impactful. Beyond the drive held on 1st July, you expanded the initiative to two additional venues—Mackay College and Lubiri Secondary School—demonstrating remarkable commitment to saving lives. All indications suggest that this project is becoming one of your signature initiatives for the year, and rightly so. It also presents a strong opportunity for recognition and awards.

Equally commendable was the successful implementation of the **“10 Days of Double Impact”** campaign in collaboration with 21 Rotary clubs. The initiative is achieving its intended purpose, and I extend my heartfelt appreciation to the Projects Team for a job exceptionally well done.

As we transition into **August, Rotary Membership Month**, I warmly welcome you to another exciting season of growth and opportunity. Your current membership growth trajectory is truly impressive. The challenge now is to consolidate these gains and sustain the momentum.

I also wish to recognize your outstanding contribution to Rotary Extension, which culminated in the birth of the **Rotary Club of Nalumunye Katale**. Congratulations on this remarkable milestone. The club has now been chartered and will be officially installed on **29th August 2026**.

However, chartering a new club is only the beginning.

Maggie Sebalu,
Assistant Governor,
Lake Victoria Zone 6

The greater responsibility lies in supporting and nurturing it into a vibrant and sustainable Rotary family. I encourage you to remain fully committed to mentoring your daughter clubs. With your continued guidance, the **Interact Club of Mutundwe Young Christian Secondary School** also shows every promise of becoming an outstanding club.

Your creativity and innovation in mentoring prospective “Munyes” deserve special recognition. You have built a strong foundation for membership growth. Let us now capitalize on this momentum by inviting even more people to

experience the fellowship and service that define the Rotary Club of Nalumunye.

The membership drive is well underway, and I deeply appreciate every Rotarian who is identifying prospective members and intentionally mentoring them both online and in person. Your dedication is making a real difference. Special appreciation goes to the Membership Team for leading these efforts with enthusiasm and commitment.

I also applaud you for hosting **Past District Governor Stephen Mwanje**, the visionary behind the Rotary Cancer Run. Your hospitality was matched by action as you officially launched the **2026 Cancer Run**, scheduled for **30th August 2026**. This noble cause deserves our full support. Let us mobilize our families, friends, colleagues, and communities to participate and help create lasting impact in the fight against cancer.

As a gentle reminder, let us honour the pledge we made to PDG Mwanje—to sell at least **1,000 Cancer Run vests** and actively participate in the **Rotary High Street at Kololo**. I have every confidence that together we can achieve this goal.

As I conclude, I encourage each one of us to remain actively engaged in attracting, welcoming, and retaining new members. Strong membership is the foundation of a stronger Rotary. In doing so, we will faithfully respond to the District Governor’s call of **“Kila Mtu Awajibike”**—*Everyone Must Take Responsibility*.

I wish you all a productive, impactful, and fulfilling month of August.

Yours in Service.

Equally commendable was the successful implementation of the “10 Days of Double Impact” campaign in collaboration with 21 Rotary clubs.

Creating Lasting Impact Together

Dear Fellow MUNYEs, Rotarians, Rotaractors, and Friends of Rotary,

What an incredible way to begin our **Impact Year!**

From the very first week, you demonstrated the energy, commitment, and unmistakable MUNYE spirit that continues to define our club. Thank you for your unwavering support, generous service, and dedication to our call to Serve Beyond Self. Because of your commitment, the Rotary Club of Nalumunye continues to shine ever brighter.

We began the year with purpose and determination. Together with our Entebbe Road Corridor partners, we successfully launched a Blood Donation Drive at Mapeera Secondary School, helping to save lives and restore hope to many. It was a fitting start to a year dedicated to creating meaningful and lasting impact.

That same spirit carried us into the 10 Days of Double Impact initiative, where we proudly partnered with 21 Rotary Clubs and 15 Rotaract Clubs. United in service, we conducted additional blood donation drives at Lubiri Secondary School and Mackay Memorial College, demonstrating that when Rotary comes together, our collective impact is multiplied.

Our weekly fellowship meetings have also been exceptional. Strong attendance, vibrant fellowship, the inspiring launch of the 2026 Cancer Run Campaign, informative presentations on cancer awareness and nutrition, and the warmth of Rotary fellowship have reminded us that we are more than a club—we are a family united by service.

As we step into August—Rotary Membership and

**Rtn Moses Ronald
Oteng, Impact President,
RC Nalumunye**

New Club Development Month—we embrace the vision of Rotary International President Francesco Arezzo to “Unite for Good” while remaining committed to our District Governor’s inspiring call: “Each One, Engage for Impact.”

This month presents another exciting opportunity as we prepare to host our District Governor. Let us fill the meeting hall and proudly showcase the passion, unity, and excellence that make Nalumunye a club of choice. We also look forward to launching our signature WASH Project at Bandwe, another significant step toward improving health, sanitation, and the quality of life within our communities.

However, lasting impact requires intentional commitment. It is sustained through two important actions:

First, Giving.

I encourage every member to support The Rotary Foundation, the engine that powers Rotary’s life-changing work around the world. Every contribution—regardless of its size—helps provide clean water, improve maternal and child health, fight disease, promote education, protect the environment, and build peace. Let us work together toward becoming a 100% Foundation-supporting club.

Second, Growing.

The District Governor’s challenge, “Each One, Engage for Impact,” begins with each of us. Who will you introduce to Rotary this month? Invite a friend, mentor a Rotaractor, inspire a colleague, or reconnect with a prospective member. Every new member strengthens our ability to serve and expands our reach within the community.

Fellow MUNYEs, thank you for your generosity, your passion for service, and your unwavering belief in the power of Rotary. The lives we are transforming today are a testament to what can be achieved when committed people unite around a common purpose.

As we continue this journey together, let us keep our enthusiasm high, our fellowship vibrant, our attendance strong, our giving generous, our membership growing, and above all, our impact lasting.

Together, we are not only serving communities—we are creating a legacy of hope, compassion, and positive change.

Service Above Self.

We also look forward to launching our signature WASH Project at Bandwe, another significant step toward improving health, sanitation, and the quality of life within our communities.

Rtn Grace Bayiga,
Membership Engagement
Officer, RC Nalumunye

From Vision to Reality: Welcoming The Rotary Club of Nalumunye-Katale

Every new Rotary club begins with a dream, a dream to serve more communities, touch more lives, and create lasting change.

As Rotary International celebrates Membership and New Club Development Month this August, we proudly shine the spotlight on one of the newest additions to our Rotary family, the Rotary Club of Nalumunye Katale.

The birth of a new Rotary club is more than an addition to the membership register. It is the planting of a seed that will grow into a force for service, leadership, and fellowship within the community. The Rotary Club of Nalumunye Katale represents hope, fresh ideas and a renewed commitment to Service Above Self.

A Legacy of Growth

The Rotary Club of Nalumunye - Katale was proudly nurtured and guided by three dedicated mother clubs:

- ▶ Rotary Club of Nalumunye
- ▶ Rotary Club of Mutundwe
- ▶ Rotary Club of Bwerenga

Through mentorship, encouragement, and unwavering support, these clubs worked hand in hand to transform a vision into reality. Their collaboration demonstrates the true Rotary spirit where experienced clubs invest in new leaders and create opportunities for Rotary to reach even more communities.

Why Nalumunye Katale?

With the rapid growth of the community of Kazinga in Seguku Katale area, there was a clear opportunity to establish a club that would bring together professionals, entrepreneurs, and the community passionate about creating sustainable change.

“Opportunity always offers a call for the far sighted to embrace it. That is the story behind the Rotary Club of Nalumunye-Katale. The main Nalumunye has the extension that sits on a wide hill where we saw more kind hearts to join Rotary. Further it has the extension to Katale hill, Seguku hill and the route to Buddo where we saw an opportunity to bring Rotary closer to over 1,000 residents eager to serve. Inspired

by the Action District Governor’s challenge to start another club and the trust that it can be done, we embraced that opportunity. Today, the Rotary Club of Nalumunye-Katale stands as a Club out of that Opportunity, creating more hands, more hearts, and greater impact through *Service Above Self.*” Says IPP Deborah Kakande.

A Club Built on Passion and Purpose

Behind every successful charter is a group of individuals who choose to believe that together they could make a difference. The charter members of the Rotary Club of Nalumunye-Katale have embraced this challenge with enthusiasm, bringing diverse professional backgrounds, fresh perspectives, and a shared desire to serve humanity.

Hanifer Nalule Nannungi, the Club Administrator, proudly reflects on her decision to join Rotary “I had always wanted to join Rotary, but there wasn’t a club near my community. When I saw a message in our village WhatsApp group from

Action Membership Director for RC Nalumunye, Didas Kumwesiga announcing the formation of the Rotary Club of Nalumunye-Katale, I knew this was my opportunity. As a reserved person, I was looking for a place to belong while serving others. Becoming a charter member gives me a chance to give back to my community in gratitude for the many blessings God has given me, while living the Rotary's motto of Service Above Self."

Today, they embark on a journey that will see them build meaningful projects, strengthen communities, develop lifelong friendships, and inspire future Rotarians.

Leadership for a New Beginning

Charter President: CP Kalungi Derrick

Club Secretary: Priscilla Regina Nalwoga

Number of Charter Members: 25

Their leadership marks the beginning of what promises to be a vibrant chapter in Rotary's story.

Looking Ahead

As the club begins its journey, every service project completed, every member inducted, and every life transformed will stand as a testament to what can be achieved when people unite with a common purpose.

Growing Rotary, Growing Service

Membership growth is not merely about increasing numbers, it is about multiplying opportunities to serve. Every new Rotary club extends Rotary's reach into communities, introduces new ideas, develops future leaders, and creates lasting impact. The Rotary Club of Nalumunye-Katale reminds us that the future of Rotary lies in our willingness to mentor, empower, and believe in new beginnings.

As we celebrate the **Membership and New Club Development Month**, we proudly congratulate the Rotary Club of Nalumunye-Katale

in celebration of their **Charter Night on 29th August 2026**. The occasion celebrates the club's official charter but also marks the installation of its Charter President, whose leadership has already been instrumental through the Rotary Action Year. It will also be a memorable moment as the charter members are formally inducted into the Rotary family, embracing the enduring call to Service Above Self and embarking on a journey of fellowship, leadership, and lasting community impact.

Welcome to the Rotary family, Rotary Club of Nalumunye-Katale. The journey has just begun.

Delivering Hope, Saving Lives: Rotary's Mama Toto Care Project Strengthens Maternal Healthcare At Kajjansi Health Centre IV

On 30th July 2026, Rotary once again demonstrated its unwavering commitment to creating lasting impact through the official handover of life-saving maternal and newborn healthcare equipment to Kajjansi Health Centre IV in Wakiso District under the Maternal and Child Health (MCH) Global Grant – Mama Toto Care Project.

Led by the Rotary Club of Nalumunye in partnership with the Rotary Clubs of Bwebajja, Entebbe, and Lubowa, the initiative reflects Rotary's dedication to improving maternal, newborn, and child health through sustainable, community-driven interventions.

The Mama Toto Care Project is a two-year Rotary Global Grant designed to strengthen healthcare delivery by equipping health facilities with modern medical equipment, building the capacity of healthcare workers, and improving the quality of maternal and neonatal services. Its ultimate goal is to reduce preventable maternal and

infant deaths while ensuring that every mother and newborn receives safe, dignified, and quality care. As part of this long-term commitment, Kajjansi Health Centre IV will receive an additional consignment of medical equipment during the next Rotary year.

The colorful handover ceremony brought together Rotary leaders, government officials, healthcare professionals, development partners, and members of the local community in a celebration of service and partnership. The event was presided over by Past District Governor Francis Xavier Sentamu and graced by Hon. Ethel Betty Naluyima, Woman Member of Parliament for Wakiso District, together with the Mayor of Kajjansi Town Council and other distinguished leaders who applauded Rotary's continued investment in Uganda's healthcare system.

The ceremony also attracted strong Rotary representation, including Impact President Moses Oteng

of the Rotary Club of Nalumunye, Impact President Sylvia Nabakadde of the Rotary Club of Bwebajja, and Rotarians from across the Entebbe Road Corridor, underscoring the power of collaboration in transforming communities.

The success of the project was made possible through the collective efforts of Rotary and its valued partners, including Nicosam and Old Mutual Insurance, whose generous support has strengthened healthcare infrastructure and expanded access to quality maternal and newborn care.

Among the equipment handed over were baby cots with mattresses, Kangaroo Mother Care (KMC) chairs, radiant warmers, pulse oximeters, Warm Embrace infant warmers, the WarmILU system, newborn resuscitation kits, digital thermometers, blended CPAP machines, phototherapy units, a delivery bed, a patient monitor, and a Caesarean section surgical set.

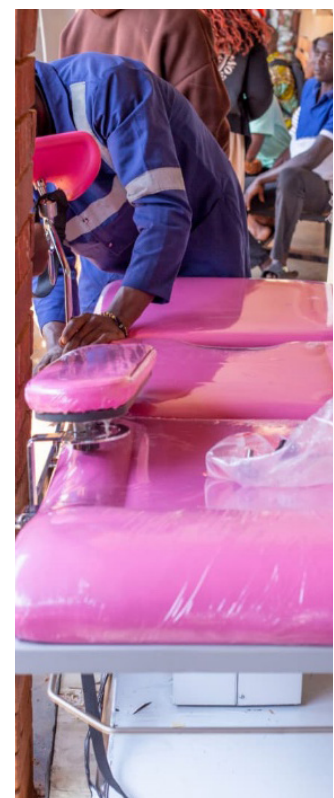

These essential medical devices will significantly enhance the facility's ability to provide comprehensive maternal and neonatal care—from supporting premature babies and improving newborn resuscitation to ensuring safer deliveries and better postnatal care. The equipment is expected to save countless lives and provide renewed hope to thousands of families who depend on Kajjansi Health Centre IV.

Reflecting on the milestone, the Chairperson of the MCH Project for the Entebbe Road Corridor Clubs described the occasion as both humbling and inspiring. Coordinating Rotary clubs, partners, and stakeholders toward the successful implementation of the project demonstrated what can be achieved when people unite around a common purpose. Months of planning culminated in an intervention that will positively impact generations of mothers and children—a true embodiment of Rotary's motto, Service Above Self.

More than a donation of medical equipment, the Mama Toto Care Project represents an investment in healthier families, stronger healthcare systems, and sustainable community development. It exemplifies Rotary's ability to transform lives through strategic partnerships, innovation, and compassionate service.

As the two-year Global Grant progresses, even greater impact lies ahead. With additional equipment scheduled for delivery next Rotary year, Kajjansi Health Centre IV is steadily becoming better equipped to provide safe, quality, and dignified maternal and newborn healthcare for the people of Wakiso and beyond.

Together, Rotary is doing far more than delivering medical equipment—it is delivering hope, saving lives, and building a healthier future for Uganda.

RC Nalumunye

21 Presidents. 10 Days. One Mission: Double The Impact

The Impact Year did not begin with speeches. It began with action. On 1st July 2026, Governor Daniel Mukasa Ddamulira together with the District Projects Chair Rtn Angela Ssemukutu led 21 Impact Presidents across District 9214 onto the streets, into schools, and inside Health Centers to launch the “10 Days of Double Impact Initiative.” The message was clear: this year, we serve more, together.

Clusters Formed. Forces United.

21 Rotary Clubs and 15 Rotaract Clubs made a bold decision. Instead of working in silos, they formed clusters to plan and deliver joint projects. By pooling people, skills, and resources, they set out to reach deeper and serve wider. It is Rotary at its best: collaboration over competition, service over self.

From Streetlights to Classrooms: Impact Across Seven Areas

In just 10 days, clusters rolled out projects touching lives across all seven areas of focus:

- ▶ Safer Communities: Installing streetlights in dark community road corners/ streets
- ▶ Education and Opportunity: Donating computers to schools, restocking libraries, and offering career guidance to students
- ▶ Clean Water and Sanitation Facilities: Providing water systems to schools
- ▶ Basic Education and Literacy: Providing ICT Facilities, provision of furniture, donating Story books and building a perimeter wall around a School
- ▶ Maternal and Child Health: Delivering a maternity/ delivery bed plus essential

medical equipment to Kitebi HC III

- ▶ Environment: Planting fruit trees and over 3,000 of other tree seedlings

Each project was chosen with one goal in mind: create solutions that last.

When We Come Together, We Do More

Impact President Moses Oteng of RC Nalumunye captured the spirit of the initiative: “We realized that when we put resources together, when we put our minds together, we’re able to do much more.” This work directly reflects Governor Ddamulira’s call for “Each One, Engage for Impact” and the Rotary International President’s challenge to create lasting change in the communities we serve.

One Rotary Family. Many Lives Touched.

10 Days of Double Impact – Many Projects – Many Lives Touched – One Rotary Family. District 9214 has set the tone for the year. The ground has been broken. The impact has begun. And the work continues, president by president, club by club, community by community.

Impact President Moses Oteng of RC Nalumunye captured the spirit of the initiative: We realized that when we put resources together, when we put our minds together, we’re able to do much more.

When The “Ggwanga Mujje” Drum Roared: RC Nalumunye Kicks Off Cancer Run 2026

The drumbeat was more than sound. It was a call to action. On 8th July 2026, during the first Impact Year Fellowship hosted by President Moses, the iconic “Ggwanga Mujje” drum roared to life at the Rotary Club of Nalumunye as Past District Governor Stephen Mwanje officially activated the 2026 Cancer Run.

Speaking to Rotarians and guests, PDG Mwanje reflected on a vision that many once called too ambitious.

“Today, that dream is steadily becoming reality,” he said. His challenge to the room was clear and urgent: “If we all take action, together we can complete the Cancer Bunker at Nsambya Hospital by the end of 2027.” The Cancer Bunker is not just a building. It is hope made of concrete and compassion. It represents Uganda’s first dedicated cancer treatment facility of its kind, and Rotary is determined to see it finished.

**A Disease Without Borders.
A Response Without Borders.**

“Cancer knows no boundaries. Neither should our compassion,”

PDG Mwanje told the gathering. He reminded everyone that every step taken, every vest sold, and every participant registered brings the country closer to reducing the burden of cancer and saving lives. Beyond fundraising, he called on Rotarians to model healthy lifestyles and promote health-seeking behaviors like routine check-ups. Early detection, he said, saves lives.

**One Drum. Many Voices.
One Mission.**

Joined by Impact President Moses Oteng, PDG Mike Sebalu, AG Maggie Ssebalu, PAG Robert Nsereko, and fellow Rotarians of RC Nalumunye, PDG Steven Mwanje struck the “Ggwanga Mujje” drum to officially launch Cancer Run 2026.

The sound echoed beyond the fellowship hall. It was an invitation to families, friends, colleagues, and communities across the country to unite in the fight against the devastating impact of cancer. For RC Nalumunye, the activation was more than a ceremony. It was the first major act of the Impact Year, a declaration that service this year will be bold, visible, and life-saving.

How You Can Answer the Call;
The 2026 Cancer Run is on. The goal is clear.

- Buy a vest.
- Support the pledge to sell 1,000 vests.
- Run or walk on 30th August, 2026. Show up on race day and bring your network.
- Spread the message through your networks.
- Encourage check-ups and healthy living in your circles.

As the drumbeat fades, the work begins. Because when compassion moves, and when a community runs together, cancer does not stand a chance.

L-R: PDG M. Sebalu, Omubulizi, Rev. Fr. Steven, President Moses, AG Margie, PDG Steven M, IPP Debbie, PP Levi and PAG Robert Nsereko

Roaring Together: Tigers Redefining Membership Engagement, One Meet-And-Greet At A Time

August, is the Membership and New Club Development Month and we ask a simple but powerful question: What does it actually take to make a member feel like they belong?

At RC Nalumunye, we believe the answer isn't found in only policy or paperwork. As Tigers Buddy Group, we found it in a plate of food shared over laughter, a game that breaks the ice, and a room full of people who came as strangers and left as family. That belief came alive on 1st August 2026, when the Tigers Buddy Group hosted our first Meet and Greet giving us a masterclass in what Membership Engagement really looks like.

None of this would have been possible without Rtn Barbara M. Kimaite, Tigers Buddy Group Chair Emeritus, whose warm hospitality turned her home into the perfect setting for the evening. This gesture is a meaningful reminder that service sometimes starts with simply opening your door. Thank you, Barbie Girl.

Beyond the Roll Call

Membership, on paper, is a number. Membership engagement is what

happens after the number joins. It's the difference between a name on an attendance sheet and a member who shows up, speaks up, and cheers for the club and this is exactly the gap our Buddy Groups were designed to close. The Tigers' Meet and Greet was the clearest proof yet that the model works.

When Strangers Become Teammates

Twelve Tigers turned up, a number that, in a buddy group our size, spoke volumes about enthusiasm. The evening opened not with speeches, but with games, playful, interactive icebreakers that had members trading names, laughing at themselves, and discovering shared histories they never knew

existed. By the time the games wound down, the room had already shifted, fewer folded arms, to more open conversation.

Then came the food. Simple, unhurried, and deliberate. Around the table, conversations wandered from club projects to personal passions to plans nobody had gotten around to sharing before. It's a quiet truth of fellowship: some of the best ideas for a club don't come from a boardroom, they come from a buffet line.

The Power of Being Seen

Perhaps the most moving part of the evening was a light-hearted recognition session, where members were celebrated simply for who they are and what they bring to the group. It sounds small, right? But it isn't. Recognition gives people purpose. When a member feels seen, something shifts, the club stops being an obligation and starts being a place they want to show up for. That shift is the real engine behind engagement, and it was on full display in every smile of every Buddy Member.

As Tigers Buddy Group, we found it in a plate of food shared over laughter, a game that breaks the ice, and a room full of people who came as strangers and left as family.

The Side of Rotary You Don't See on WhatsApp

When the music started, a version of the Tigers that fellowships and WhatsApp group chats rarely reveal, came to life. Dancing, teasing, and unguarded joy took over, reminding everyone that behind every title, is simply a person who loves to have fun. It was Rotary at its most human.

The Real Takeaway

By the end of the night, as Tigers we had built the connective tissue that turns a group of members into a genuine team. Every Tiger left knowing not just who their fellow members are, but how they might serve the club together.

This is the quiet power of the Buddy Group model. It takes the big, sometimes abstract idea of "Membership" and makes it

personal, one small gathering at a time. If the Membership Month teaches us anything, it's that the future of our club isn't just about how many members we recruit but about how many moments like this one we create for the members we already have.

To Tigers Buddy Group, Your Growl is Heard.

Rtn Dan Asiimwe (seated right) with members of RC Nairobi North

A Rotarian Abroad, A Family Found

[Rtn Dan Asiimwe's Ambassadorial Visit to the Rotary Club of Kilimani Alfajiri is testimony that Rotary Service Has No Borders]

For two weeks, Rtn Dan Asiimwe left Kampala to attend a conference organised by his employer. While he would miss the fellowship at his home club, Rotary Club of Nalumunye, he was determined not to miss Rotary altogether. In his short time as a Rotarian, he has learned one powerful truth: visiting other clubs is how Rotary truly comes alive. So he opened the Rotary Club Locator App, searched his neighborhood in Nairobi, and made a choice that would change his trip. He visited the Rotary Club of Kilimani Alfajiri.

Welcome Home, Miles away from Home

What he found was more than a meeting. He found warmth. From the moment he walked in, members of RC Kilimani Alfajiri made him feel seen. Every speaker acknowledged him. Every handshake carried intention. Every conversation carried Rotary's spirit. "In there I met warm people, I met a great culture, and I made friends. I felt at home, even when I was miles away from home,"

Rtn Dan Asiimwe,
RC Nalumunye

Rtn Dan shares. That is the power of Rotary. The badge changes, the country changes, the language may even change. The family does not. An Invitation to Every Rotarian.

Two clubs. Two weeks. Countless new friendships.

Rtn Dan's visit did not stop at Kilimani Alfajiri. He also connected with Rotary Club of Nairobi

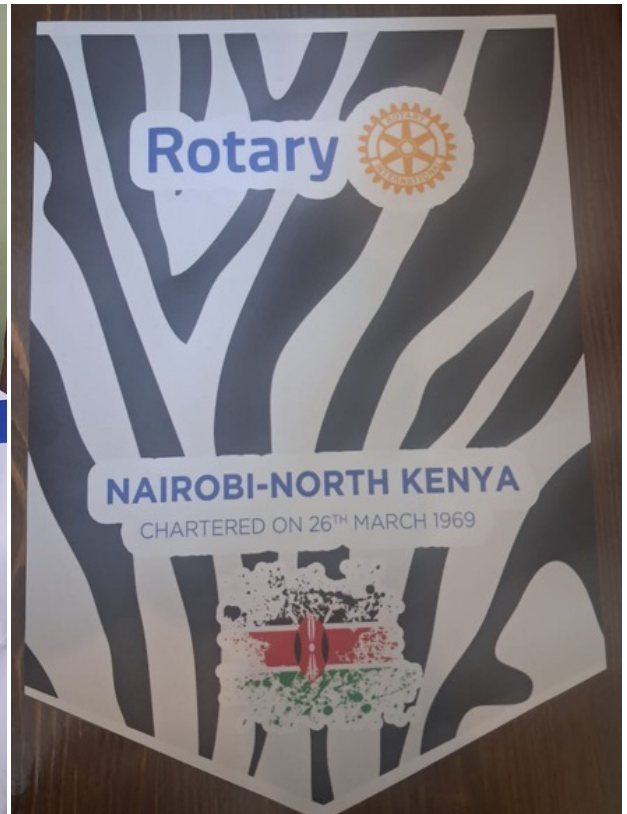

North, another wonderful Rotary experience.

His appeal to fellow Rotarians is simple: Whenever you travel, visit another club. Use the Rotary Club Locator App. Find the meeting nearest to you, and say YES to the experience. "These visits will not only benefit me as a person, but also my Rotary Club and Rotary as a whole. The friendships I have made will last a lifetime, and they are the beginning of lasting relationships and possibly bigger things."

Together, Let's Engage for Impact

Rtn Dan's story is a reminder that impact starts with showing up. Across borders. Across clubs. Across differences. Asante, RC Kilimani Alfajiri, and RC Nairobi North for the warmth you accorded our member. You reminded one Rotarian that home is wherever Rotary meets. Let his journey inspire the next one. Pack your badge. Open the app. Find your Rotary family.

Kila Mtu, Awajibike!

Rtn Dan receives a token of appreciation from RC Nairobi North, a club that has been in existence for 57 years

Celebrating Service, Leadership, And A New Beginning: Interact Club of Mutundwe Young Christian Secondary School Makes History

Laughter filled the compound. Applause rang out. Proud smiles lit every face as young people took a historic step into the Rotary family. On Sunday, 19th July 2026, the Interact Club of Mutundwe Young Christian Secondary School celebrated more than a Charter. We celebrated the birth of a generation committed to service, leadership, friendship, and hope.

A Charter, A Commitment

The day marked a defining moment in our school's history as the club officially received its Charter and joined the global family of Rotary International. What began as a vision to nurture young leaders had finally become a reality. One of the most touching moments was the induction of the Charter Members. As they took their oath, they officially became Interactors, embracing a lifelong commitment to service, leadership, fellowship, and integrity. The joy and pride on their faces were priceless. For many students watching, it sparked a desire to one day join this family dedicated to making a difference.

New Leadership Rises

Following the induction, another milestone unfolded. Our Charter President, Sseruwooza Simon Peter, was officially installed by Assistant Governor Maggie Ssebalu. As he received the symbols of leadership, he also accepted the responsibility to lead with integrity, humility, and compassion. It was a proud moment for him and for our entire school community as we witnessed the rise of a new servant leader ready to champion the Rotary motto: "Service Above Self."

Confidence, Talent, and Purpose on Stage

Adding color and excitement was the much-anticipated Miss and Mr. Interact 2026 pageant. More than a competition, it was a platform that celebrated confidence, leadership, intelligence, creativity, and a heart for service. Amid cheers and jubilation, Kyoshabire Elizabeth was crowned Miss Interact 2026, and Mbuga Kevin emerged as Mr. Interact 2026. Their victory represents not only personal achievement, but also the responsibility to inspire

fellow students and champion positive change within our school and beyond.

Turning Celebration into Impact

Beyond the joy, the celebration carried a greater purpose. Through a fundraising campaign held during the event, the club raised UGX 333,000 toward the purchase of dustbins for the school community. Every contribution reflected more than money. It reflected kindness, generosity, and a shared commitment to a cleaner, healthier, and more environmentally responsible school. It reminded us that lasting change begins when people choose to work together for the common good.

A Family That Showed Up

The celebration brought together Rotarians, Rotaractors, school administrators, teachers, parents, students, and friends. We were deeply honored by the presence of AG Maggie Ssebalu, P.O.P. Yolam Owora, members of the Rotary Clubs of Nalumunye, Nalumunye-Katale,

Left: Seruwooza Simon Peter being inducted as the Charter President of the Interact Club

Nateete-Kampala, and Mengo, and members of the Rotaract Clubs of Nalumunye, Kasubi, Rubaga Lake View, Kampala Muyenga Breeze, and Mengo-Mutundwe. Your presence, encouragement, and generosity reminded our young Interactors that they are surrounded by a family that believes in empowering young people through service.

Gratitude to Those Who Believed

On behalf of the Interact Club of Mutundwe Young Christian Secondary School, together with our administration and staff, we extend our deepest gratitude to our mother club, the Rotary Club of Nalumunye, and to every Rotarian who believed in us from the very beginning. Your mentorship, encouragement, and unwavering support transformed a dream into a memorable reality. Our heartfelt appreciation also goes to: Impact President Moses Ronald Oteng, Action President Deborah K. Kakande, Youth Service Chair Emeritus Rtn. Sharifah Namatovu, Youth Service Chair Rtn. Justine Mutesi, and Action President Jamirah Mutaawe.

Thank you for believing in the potential of our young leaders and for walking this journey with us. To our organizing committee, volunteers, contestants, sponsors, parents, teachers, and every individual who gave their time, resources, ideas, and prayers: this success belongs to you. Every smile, every round of applause, and every life touched was made possible because you chose to stand with us.

The First Chapter of a Lasting Legacy

As we begin this exciting chapter, we do so with hearts full of gratitude and renewed determination. Our Charter Celebration was not just the launch of a new club. It marked the beginning of a legacy of service, leadership, friendship, and hope. We remain committed to nurturing ethical leaders, transforming our community through meaningful projects, and inspiring more young people to discover the joy that comes from serving others. As Helen Keller wisely said, "Alone we can do so little; together we can do so much." Those words came to life on this remarkable day, reminding us that every act of kindness and every heart committed to service has the power to transform lives. May this Charter be remembered

not as the end of a journey, but as the first chapter of many remarkable stories yet to be written. Here's to a future filled with compassion, purpose, and service. Cheers to a new chapter!

Dear Rtn. Deborah/Rtn. Phiona

Invitation to serve on the District 9214 Organizing Committee for the 102nd District Conference and Assembly (DCA)

Warm greetings,

We wish to express our sincere appreciation for your outstanding contributions and exceptional leadership within the Rotary community.

It is with great honour that we extend this invitation for you to serve on the Programs, Service Projects & International Cooperation Committee for the 102nd District Conference and Assembly.

The 102nd DCA will be held from 22nd - 25th April 2027 in Jinja, under the theme "Start One Impact for Impact". The event will bring together multitudes of Rotarians, Rotaractors, guests, and partners to celebrate our collective impact.

Please find your Terms of Reference (TOR) attached. Your role will involve participation in planning sessions and committee meetings, increasing in frequency as the event approaches. For any queries, kindly email the DCA Chair, info@rotarytanzania.co.ug or copy the DCA Secretary, secretary@rotarytanzania.co.ug.

We deeply value your support and look forward to working together toward a successful District Conference and Assembly.

Dear Rtn. Didas,

RE: APPOINTMENT AS IMPACT YEAR CORRIDOR MEMBERSHIP CHAIR - ENTebbe ROAD CORRIDOR

I am pleased to formally appoint you as Impact Year Corridor Membership Chair for Entebbe Road Corridor in Rotary District 9214 for the Rotary year 1st July 2026 to 30th June 2027.

This appointment recognises your dedication to Rotary service, your ability to connect and inspire people, and your commitment to building vibrant, inclusive, and sustainable Rotary clubs.

You will provide corridor-level leadership in membership attraction, engagement, retention, and new club development, while supporting clubs to create a positive member experience and achieve their membership goals.

You will work closely with the District Membership Chair, District Governor, Assistant Governors, Club Presidents, Club Membership Chairs, and your fellow Corridor Membership Chair to coordinate action, share good practices, and monitor progress.

I am confident that your leadership will help us grow stronger clubs, engage more members, and expand Rotary's reach and impact across District 9214. Congratulations, and thank you for accepting to serve.
